

RagTagd
smart lost property

Conquer Lost Property

Do you enjoy the struggle of finding your child's lost stuff? No? Well neither do we. That's why we created Smart Tags!

Our mission is to bring a little peace of mind to every parent on the hunt for lost property. How? We send you an SMS when your item shows up in lost property - making collection quick and easy.

No more scavenger hunts in the playground :)

How it works for parents

- 1 Purchase Smart Tags from school**

In new uniforms

...or separate packs

- 2 Activate by SMS using the unique code on your tag**

- 3 Your garment goes missing in the playground!**

- 4 Receive an SMS when your item is in lost property**

Woo! Your hat is in Lost Property.

Our Impact

90%

of parents are collecting lost property within

24hrs

of receiving a notification

Did you know...?

Children become more responsible for collection - now that Mum and Dad know that it's in there, there are no excuses for not looking!

Smart Tags help reduce theft. Easy notifications mean families can retrieve lost property quickly, so uniforms spend less time in the pile and don't get pinched.

Smart Tags are laundry-proof, can be reactivated, and are completely safe for kids.

Pricing

To make life easy for you, all new hats and jumpers at the uniform shop will come with Smart Tags already attached.

Smart Tags

\$3⁰⁰ on hats

\$3⁵⁰ on jumpers

For all your extra items you want to keep safe:

\$7⁵⁰ Packets of 2 Smart Tags

Our passionate team can set your school up in no time
