

NEW PSYCH 515 Week 4 Individual Critical Issue Analysis

Select one of the following critical issues located in the Taking Sides text:

- Issue 2: Should Individuals with Anorexia Nervosa Have the Right to Refuse Life-Sustaining Treatment?**
- Issue 6: Should All Uses of MDMA (Ecstasy) Be Prohibited?**
- Issue 7: Should Abstinence Be the Goal for Treating People with Alcohol Problems?**

Analyze your selected critical issue by using the Critical Issue Analysis template. Answer the questions directly upon the Critical Issue Analysis Template, and include an APA formatted Title Page, in-text reference citations, and a Reference List. As part of your analysis, evaluate contemporary research associated with your selected critical issue. For question 7, it is highly recommended that you conduct a research review using scholarly research from sources external to the critical issue analysis article.
