

Who is Steven Salaita?

And why does the **UNIVERSITY OF ILLINOIS** not want **YOU** to hear him?

Steven Salaita was unhired from the University after **Tweeting** about the ongoing **genocide in Palestine**. He lost tenure and his house

Chancellor Phyllis Wise met with a **wealthy Jewish Donor** in Chicago before the decision to dump Salaita. She was forced to resign after she **destroyed emails that belong to the public record** that show the meeting.

The University of Illinois paid \$875,000 to settle the case.

If that is not an admission of guilt, what is? Maybe tuition would be cheaper if the University stopped paying people not to teach

Maybe Jewish “donations” to the University come at too high a price

Questioning the influence of university donors is not anti-semitic. It is not defamatory. It does not insult anyone. It is Social Justice
