Dear Friends,

"This makes the difference whether I eat or not. I don't have enough words to express my gratitude, not just for myself, but for the others that come here as well. It's very much needed."

Boyd's been visiting a food pantry each month for the past couple of years. He's 70 and retired 8 years ago after a long career of building homes. Living on a fixed income means that there isn't a cushion to fall back on for himself and his wife, who is also retired.

The food they're receiving because of your compassion will nourish them when they need it most.

Your generous gift of 604 pounds received on 12/22/2014 for the Eternal Way - E.A.T. Outreach Food Drive creates 503 meals and changes the lives of families like Boyd's across Central Texas. Thank you for your commitment in the fight against hunger.

With sincere gratitude,

Jackie Rogers
Community Relations Director
