Professional Statement

I have a specific skill set that includes a formal education and background in both design and marketing and sales. I believe that my experiences and training in both disciplines have helped form my excellent problem assessment and problem solving abilities as well as my skills in client presentation and client service. I am looking for a position that can fully leverage my abilities to the benefit of the team and company I become a part of.

Design Experience

- | | | |
|-----------------------|---|-------------------|
| 2011 - Present | C W Design | Interior Designer |
| | <ul style="list-style-type: none"> • Provided full design services for the KOIN TV Channel 6 newsroom, break room and lobby renovation projects including client programming, space planning, conceptual drawings, specifying materials and furniture and overseeing installation and construction. • Residential projects including a complete remodel of a 1920's bungalow and a build out of an income basement apartment. | |
| 2010 - 2011 | Pacific Office Furnishings | Designer |
| | <ul style="list-style-type: none"> • Provided site analysis verification, space planning and furniture layout solutions for multiple large commercial and government interior design projects with simultaneous deadlines. • Conducted client programming meetings and worked as a liaison between clients, facilities departments and contractors through completion of the Oregon State Hospital administrative offices remodel project. • Specified and ordered furniture utilizing CAP software and GSA contracts. • Graphically represented projects by drawing plans, details and three dimensional renderings for clients, contractors and furniture installers. | |
| 2008 - 2009 | Ankrom Moisan Architects | Design Intern |
| | <ul style="list-style-type: none"> • Managed interior design library including new product research and sample procurement. • Forged solid relationships with manufacturer representatives to obtain best product information and pricing for Ankrom Moisan clients. • Created material and finish selection presentation boards for client presentations. | |
