GLI OCCHI

un esperimento di tecniche

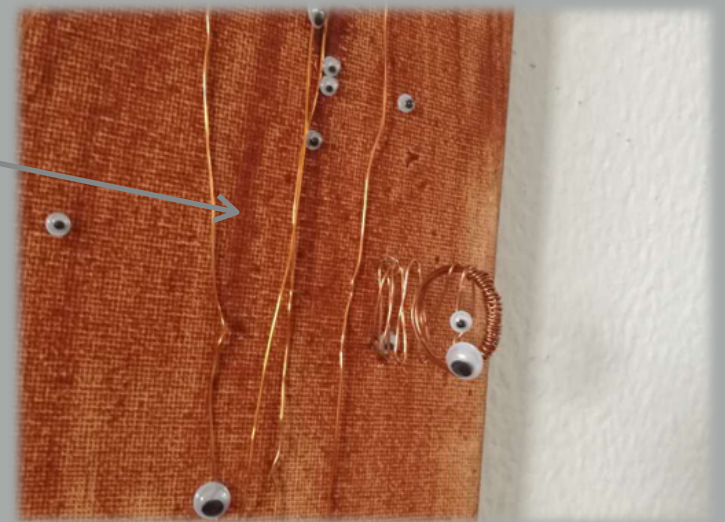

studio il colori e il occhio

I TRY TO LEARN CARLO RAMA'S COLOR, STYLE, AND GET INSPIRATION FROM IT, AND THEN TURN IT INTO MY OWN STUFF FROM WHAT TO WHAT, THIS IS WHAT I HAVE BEEN THINKING ABOUT, CARLO RAMA WHERE THE CHARM IS

The eyes represent peep each other, the painter observes the audience, the viewer observes the paintings, and the interaction of modern art

gli occhi

occhi di plastica , terra , ferro

Blood-like colors reflect the painter's heart, a fantasy with a tragic childhood
