

The logo is set within a semi-circular frame. The top half of the frame is a solid black semi-circle. The bottom half is white and contains a stylized black silhouette of a musical instrument, possibly a violin or viola, with a curved body and a long, angled neck. A horizontal red line is positioned above the instrument's body. Two vertical red lines are placed on either side of the instrument's body, extending from the horizontal line down to the bottom of the white area.
