About Us

The council of Secondary Education will also take on roles of developing the private education in India. This will be a holistic approach to uplift the overall quality for education in private sector. With the Leveling up of the Private education sector standards over the next few years, the council of secondary education aims to work with Social Welfare/ Educational private organizations to promote the private education through out India.

Education Structure of Schools in India Punjab School Education Board

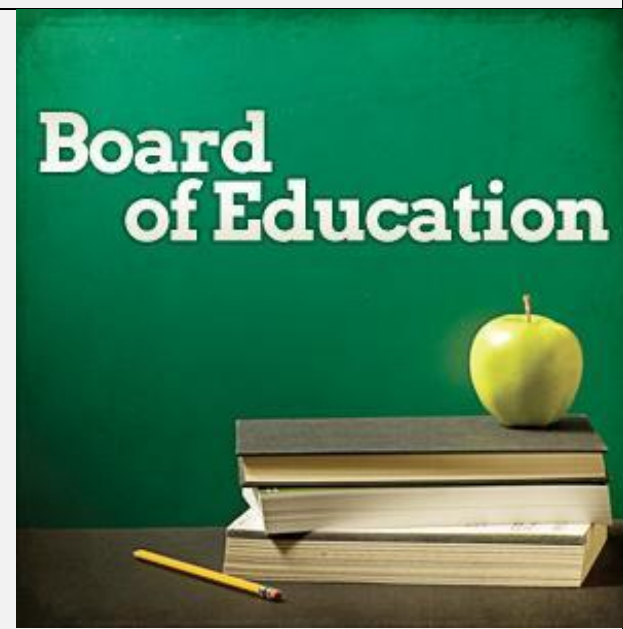

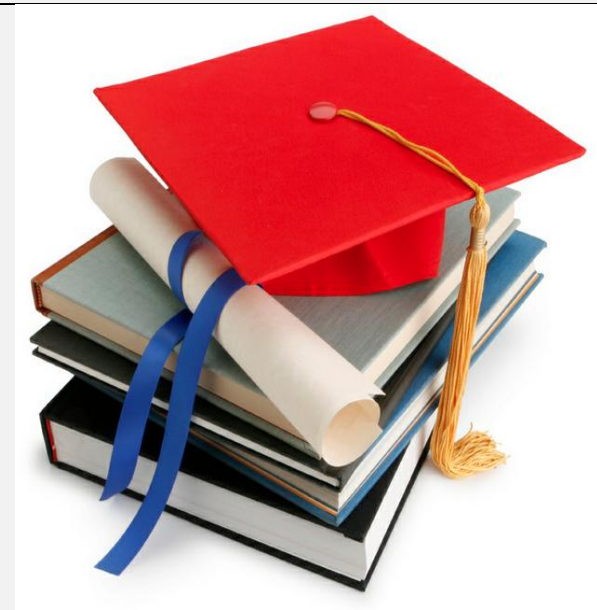

The punjab school board got here into existence via a ... To behave as an advisory body to the kingdom executive. Regarding faculty education. <http://csemohali.org/>

Punjab School Education Board

Since independence and even before that period, the importance of education is very much evident in India. <http://csemohali.org/>

Fig

Education Board In Punjab

Council Of Secondary Education board is the mainstream education boards of India. They have a well reputed education system. Besides giving quality education these boards give equal importance to the results also, especially the 10th and 12th results. So CSE result 2013 is not only important to the students, but also important to the education boards.
