The extraordinary healings that occurred through **Bruno Gröning** (1906-1959) ushered in a new era of spiritual healing.

Bruno Gröning left behind the knowledge of how to absorb a natural **healing power** that can bring long-lasting health to every human being. Back then and still today, healings of chronic illnesses that have lasted for decades, as well as of drug and other addictions, have occurred worldwide.

This is confirmed by numerous healing reports that have been carefully examined by doctors of the **Medical Scientific Group** and documented using medical evidence by independent physicians.

Doctors, psychologists and healing practitioners of the Medical Scientific Group regularly share their experiences through **lectures**, both domestically and internationally, in order to make Bruno Gröning's knowledge accessible to people worldwide.
