

## **BUS 600 Week 2 DQ 2 Intercultural Communication Competence**

In a 250-300 word response, critically examine your personal level of intercultural communication competence. Is it important for you to achieve a certain level of intercultural communication competence? Would enhanced intercultural communication competence help you personally? Professionally? Academically? Include examples in your submission and use at least one resource to support your key points. Respond to at least two of your fellow students' posts.
