

# Online Ugg Bailey Button

Stand tall and in the latest style with the streamlined comfort of the new and improved Bailey Button Boot from the UGG collection. The [UGG Bailey Button](#) Short boots are cute as a button. The women's UGG Australia Bailey Button boot is a exclusive twist on the classic with its dependable, cozy and comfortable heritage, finished off with a button adornment. The sheepskin sock lining wicks moisture away, leaving feet dry and comfortable, while the molded EVA outsole provides traction and durability.

Please be advised that these [UGG boots](#) are not made for snow and ice or heavy walking. The snow and ice can cause damage to the shoe and allow it to lose some of it's brilliant color. To ensure longevity, please handle with care and use the UGG Care Kit that is also available at Vernon Powell Shoes.
