

LA

ACADEMY

OUR VISION

The LA Peace Academy takes pride in developing the mindset of leadership, peace, and community ownership within the Los Angeles' under-served youth.

We are working to create communities filled with enabled children who will grow into tomorrow's leaders.

Why peace? Whether or not we are willing to say it, a child afraid to wake up and walk to school in the morning because of gang violence, is war. Other issues:

- Gang Violence
- Domestic Abuse
- Inequality
- Negativity
- Poverty

**IT IS OUR PURPOSE
TO EMPOWER AND
EQUIP THE YOUTH
WITH THE TOOLS TO
OVERCOME THE
HARDSHIPS OF TODAY.**

WHO WE ARE

We are part of an international peace non-profit registered in the United Nations Department of Public Information (DPI). World-wide, the Peace Academy focuses on solutions for problems custom to the countries and regions that it is working within.

Here in California, the LA Peace Academy collaborates with political leaders and artists to lead educational programs to build children's leadership skills.

Conflict resolution, community service and most importantly, a hope and desire for peace are the core elements of the peace curriculum.

IMPACT

As of July 2016, we've started peace academy programs in 119 schools from 9 different countries.

Since its curriculum focuses on instilling hope of bringing sustainable and universal peace, LA Peace Academy's comprehensive approach to education allows teachers and students to embrace the values of human rights, intercultural and interreligious understanding, and tolerance.
