RSVP directly by email to: maggieabraham@gmail.com

- **IMPORTANT: Please printout, sign and bring with you the [Player Waiver Form](#). Remember to choose your code name (top left)**
- Never been to [ShadowLand](#)? View the [Bodysuits/GEMs](#) and [Experience](#) an adventure in the arena for the first time.

ShadowLand is a community-spirited family entertainment center. Individuals, families and groups visit regularly. Throughout the year we host birthday parties, sports night end-of-season events, youth groups, summer camps, school field trips, scout troops and corporate team building events.

After receiving a briefing, players suit up in our 'high-tech' vest and enter the large multi-level carpeted arena where they interact with other players and wall-mounted "Game Enhancement Modules" located throughout the Arena to advance their position in an adventure. At the end, detailed score cards list individual and team statistics.

Specialized Adventures are great fun and particularly suited for developing team camaraderie and communication skills. Nowhere else can a large group take part in the same interactive experience
