

## MESSAGE TO LABOUR

(From our UKIP Labour Chairman)

**Tony Blair has blood on his hands and by association so do we.**

We have stuck with Labour in the hope that it will return to being the party of the people one day, but with each statement and each despicable lie our hope fades to despair as the millionaire champagne socialists laugh at our blind loyalty, to a dream that has long since vanished.

This election the Parliamentary Labour Party will hope to form a coalition with the Scottish National Party and the Lib Dems, This will be the end of any hope of Brexit and the end for Trident.

Today's Labour is a very dangerous party for Britain but especially for us in Furness. The only way Labour will return to its working class roots is for us to open our eyes and stop voting for them. Maybe then they will remember who they really should have been representing, The British Workers!

In UKIP all our members are equals, we and the ex-Conservative members recognise that our common goal is the future success of Britain.

We don't look back, we look forward to the day Britain is truly independent, trading internationally, economically successful yet socially responsible. This isn't so difficult when we work together, but it's impossible for the old Parties to ever do. With this philosophy UKIP is changing the course of political history.

**DON'T LET THERESA MAY STEAL IT FROM YOU**

## MESSAGE to LIB DEMS

**Which bit of democracy don't you get?**

Is **UKIP** over? No - It's put its Trust in **MAY**.

*(Nigel Farage - May 6th - "UKIP is paying the price for a Tory P.M. who appears to have adopted Brexit, and could be stronger than ever in 3 years time. It's a long game.)*

**APPEARANCES CAN BE DECEPTIVE. DO YOU TRUST MAY WITH BREXIT?**

The opportunity for Barrow and Furness is incredible.

Labour town, surrounded by Tory Furness, wants clean Brexit and **KEEP** Nuclear. Hard Left Leader wants neither. Doesn't want his candidate either. Not hard Left enough.

**THE ONLY CERTAIN BREXIT VOTE HERE ...IS**

**BREXIT NEEDS UKIP BACKBONE**

**This election is UNIQUE - it's about BREXIT - again**

**BARROW UKIP WORKS TOGETHER**

**UKIP is UNIQUE**

**EX- LABOUR. EX- TORY. EVEN EX- LIB DEMS**

We are all scared for our jobs, our livelihoods, whether running a business or working anywhere. We're scared by uncontrolled immigration, ever rising costs, more and more taxes. Losing our way of life. Our high streets.

We're angry. With career politicians. Liars. Conning us to make money. Big Internet companies avoiding taxes. People milking the Benefit system depriving people who really need help And the massive debt that the Westminster "Liberal" elite is dumping on our kids. There must be a better way. There is.

**WE'VE REALISED SOMETHING ELSE AS WELL**

The **BIG ISSUES** are **TOO BIG** for PARTY POLITICS

**Health, Benefit, Pensions and Debt interest take up 4/5ths of the Gov't spending. That leaves 1/5th for everything else** (and MAY even wants to keep throwing more money abroad at foreign "aid". No wonder we're broke.

*Insanity is doing the same thing again and again, expecting a different result*

**THE UKIP WAY IS TO WORK TOGETHER**

We can talk about the difficult stuff without shouting.

The other Parties **never** will.

**Vote BREXIT    Vote UKIP    Vote CHANGE**

**BREXIT NEEDS UKIP BACKBONE**

**MESSAGE to CONSERVATIVES**

(from a UKIP Conservative)

**WE DON'T TRUST MAY.** It's that simple

She's no Maggie. But she's **VERY** good at letting people believe what they are **DESPERATE** to hear, and get on with **-BREXIT**

**BUT LOOK AT HER RECORD.**

She voted Remain

She was a useless Home Secretary

She won't stop uncontrolled immigration

She hasn't reversed Leveson - (Cameron... 5 jobs Osborne...UBER?)

She **STILL** wants to send billions abroad

She won't pull out of the European Arrest Warrant

She won't pull out of the EU Court of Human Rights

Do you really think she will restore UK Territorial waters and Fishing?

**The European Communities Act 1972 - (ECA 72)**

**THAT ACT IS WHAT MAKES EU LAW STRONGER THAN OURS.**

*"it's only a statute, like any other" Supreme Court 2017*

**Repeal that and we could be making trade deals now**

(instead of just talking about it)

**Repeal that and give the E.U. 2 years notice to get over it**

(Brexit really will mean Brexit)

**Repeal that and then (and only then) could we can legislate on UK Farming, Fishing, Borders, Immigration, Refugees.**

(Westminster in charge - not Brussels)

**BUT IF MAY HAS NOT COMMITTED**

**TO REPEALING ECA 72**

**BY 7TH JUNE -**

**DO NOT VOTE TORY ON THE 8TH.**

Because then we will **ALL** know the truth.

**BREXIT NEEDS UKIP BACKBONE**

**Alan Nigel Piper**

**alannpiperukip@gmail.com** - (He will respond to Hope, not Hate)

Just turned 64, brought up and schooled in Birkenhead. The place always seemed to be on strike. Made me a Conservative. Left 1974

(Worked that winter in Asda, Barrow)

1975 Moved South. Essex. Met people without chips on both shoulders. Stayed 25 years, got married, divorced (no kids involved) and worked in the City during the 80's and 90's (as did FARAGE)

2000 Moved North. Bought a Pub in Coniston, thought "what could possibly go wrong?" Married again, and still here after 17 years. Daughter at school and step-son in the army.

Thing is, 17 years running a small business has taught me a lot. Stuff that nobody in Parliament understands because that place is full of career politicians who've never had a real job. There's a lot we grown-ups can teach them. Lots of things we know that would make an immediate difference.

I'm not trying to get there to make a career, mine is behind me. (And if anybody can offer me a sensible proposal to stop corrupt politicians using Parliament as a career stepping-stone, I'd love to hear it)

**Conservative to UKIP**

2008/9/10 Watched Cameron & co take over the Party. Left. Looked at UKIP. Waited for something to happen. **FARAGE**

2014 Met Farage. Stand-out politician of this generation. Got involved. Stood for W&L in 2015. Standing for Barrow and Furness today.

(It's worth remembering that Barrow has Trident because it doesn't have the strike history that I grew up with.)

**BREXIT NEEDS UKIP BACKBONE**

**THE ONLY TRUE BREXIT IS UKIP**

Give **Alan** a **UKIP** vote in **BARROW and FURNESS** and you can be **CERTAIN** of three things

**100% SUPPORT for BREXIT**

Starting a political **EARTHQUAKE**

Making them **LISTEN**, (to our concerns)

Alan's a publican. Not a politician. Clarkson without steak. Get him there and watch the fireworks.

**BREXIT NEEDS UKIP BACKBONE**

June 8<sup>th</sup>

**DON'T BE FOOLED!**

This is **REFERENDUM 2**  
(disguised as an general election)

Do you trust May with **BREXIT** ?
