Sugar and spice and all things nice...

EVERYONE has a Milly memory, and for most of us there's the one where we are sweating it out on the dancefloor to her music.

For lots of us she was the soundtrack to our youth, and the memories start to pile up high.

Friends and family are invited to attend 'There's Something About Milly' a fundraising event to support a friend in need as she challenges cancer head on.

Hosted by Narelda Jacobs and Zoe Warwick.
Entertainment from The Merindas, Ash Baroque, Amanda Dee, Delvira Midnight, Sarah Pellicano and Nat Ripepi.
DJs Dirty Den and Seb Sharp.

Tickets to attend are \$35 via ticketbooth.com.au and entry includes canapes and a free drink on arrival.

There will be games and entertainment all night long, so bring along your coins, \$5 notes and cash for the games!
