'S PERFECT PAGES LOG

AP Boot Camp, Burkhardt 2016

Topic & Date (Individual or Group?)	Objectives Met	Perfect Pages Grade	AP Score	Response/Reflection
10/26/16 - Individual Exile	<u>X</u> 1 <u>X</u> 2 <u>X</u> 3		7	I honestly do not agree to the grade that I received. I may have 3 body paragraphs, but other than that, my thesis is lacking and my topic sentences were less than mediocre. I also relied too much on plot summary.
11/7/16 Gale the Doorman	<u>X</u> 1 <u>X</u> 2 <u>X</u> 3		5+	I feel like for this essay, I focused too much on trying to address all the objectives to write a paper essay that answers the prompt entirely. Turns, I feel that the reason since that I received is justified.
12/7/16 Storm Warnings	<u>X</u> 1 <u>X</u> 2 <u>X</u> 3			I feel very proud of myself for interpreting this piece correctly. When Ms. Burkhardt gave us the blanket statement to us all prior to passing the papers back, I was afraid that my interpretation was wrong, but it wasn't. So proud.
1/26/17 Mystery	<u>X</u> 1 <u>X</u> 2 <u>X</u> 3			I agree with Ms. Burkhardt's comment on relying too heavily on plot. Then again, the prompt was about the mystery of a criminal piece of literature, so even if mentioning plot is necessary, I may did rely too much on it.
2/8/17 Wordsworth vs. Frost	<u>X</u> 1 <u>X</u> 2 <u>X</u> 3			I'm surprised that I managed to pass this page. I thought I misinterpreted the second question but I apparently did not.
3/22/17 Eleven	<u>X</u> 1 ___ 2 ___ 3		7	I didn't expect to pass the last page so easily as so little having not met all the objectives. I can continue to improve nonetheless. I'm proud that I got a 7. Much improvement
3/1/17 Johnny Got His Gun	<u>X</u> 1 <u>X</u> 2 <u>X</u> 3			This was a great piece of text to analyze as there was a lot of context and substance to use. I'm glad that I was able to pass this page.
4/17/17 Domby and Son	___ 1 ___ 2 ___ 3			We completely misinterpreted this piece. We also didn't meet any of the objectives but that's okay because we didn't really know how to interpret the text. Oh well, we can try harder.
