Kleenmist Fragrance Dispenser & Cans

The new Kleenmist aerosols feature increased strength fragrances, improved 'shrink-wrap' packaging, high quality lithograph printing and a revised 270ml can designed to fit a wider range of dispensers. These metered aerosols are the perfect answer for odour control problems. Ideal for use in washrooms, shower areas and toilets. With a choice of delightful fresh fruit, wild flowers or baby talc this tried and tested odour suppression system has the ability to neutralise odours with immediate effect 24 hours a day. Each aerosol delivers approximately 3400 metered sprays (30 days) covering an area up to 6000ft³. Non-toxic, non-corrosive and CFC free. Simple and quick to install especially within Contico's Bobson aerosol dispensers.

Now available in a limited range of 8 fragrances
