current professional literature on the topic. Many of these topics are broad and you may choose to focus your research on a more specific area of the topic, such as focusing on when children show resiliency when dealing with divorce. With instructor approval, you may select a topic that is not on the list below.

- Resiliency in children
- Gender differences in infancy and childhood
- Effects of day care
- Attachment styles
- Causes and effects of child abuse and neglect
- Effects of divorce on children
- Prenatal influences
- Prematurity, medical interventions, and long-term outcomes
- Pros and cons of grade retention

- **Language development**
- **Media influences on children**
- **Influences on school readiness**
- **Bullying causes, preventions, and interventions**
- **Development of creativity**
- **Sex differences in mental abilities**
- **Effects of parental death on children**
- **Emerging adulthood**
- **Gender differences concerning aging**
- **Midlife crisis**
- **Adapting to life changes during adulthood**
- **Developmental issues related to nontraditional families**
- **Caring for aging parents**
- **Victimization of the elderly**
- **Death with dignity**
- **Right to die**
