Complete Organizational Performance Management Table located on the student website.

Collaborate to write a 1,400- to 1,750-word paper in which you address the following points:

Address the similarities and differences among the types of organizations.

Propose how each organization will monitor performance, achieve regulatory and accreditation compliance, and improve overall organizational performance.

Describe ways each organization will communicate with leadership to ensure alignment of organizational goals and gain buy-in from staff to achieve compliance with the standards and requirements issued by regulatory and accreditation bodies.

Determine how compliance with the regulations and development of risk-management and quality-management systems for each type of organization contribute to the organization management system.

Format the paper and reference list consistent with APA guidelines. Include the Organizational Performance Management Table as an appendix to the paper.
