ABOUT CAPITAL CUBING

CAPITAL CUBING

Capital cubing is an organization aimed at improving the quality of competitions by assisting organizing teams of competitions both financially and with capable human resource for efficient competition management. We are a group of 45 students from different colleges and schools from the Delhi NCR region, who come together to raise the standards of competitions in India and to provide a stage for the talent stored in all age groups. We are by far the largest organizing team in the country.

Capital cubing has organized various competitions in Delhi, including the 2016 Rubik's cube Indian Nationals and strives to bring more and more competitions to Delhi along with the help of our valuable sponsors to enhance the experience of our fellow cubers.

Greetings,

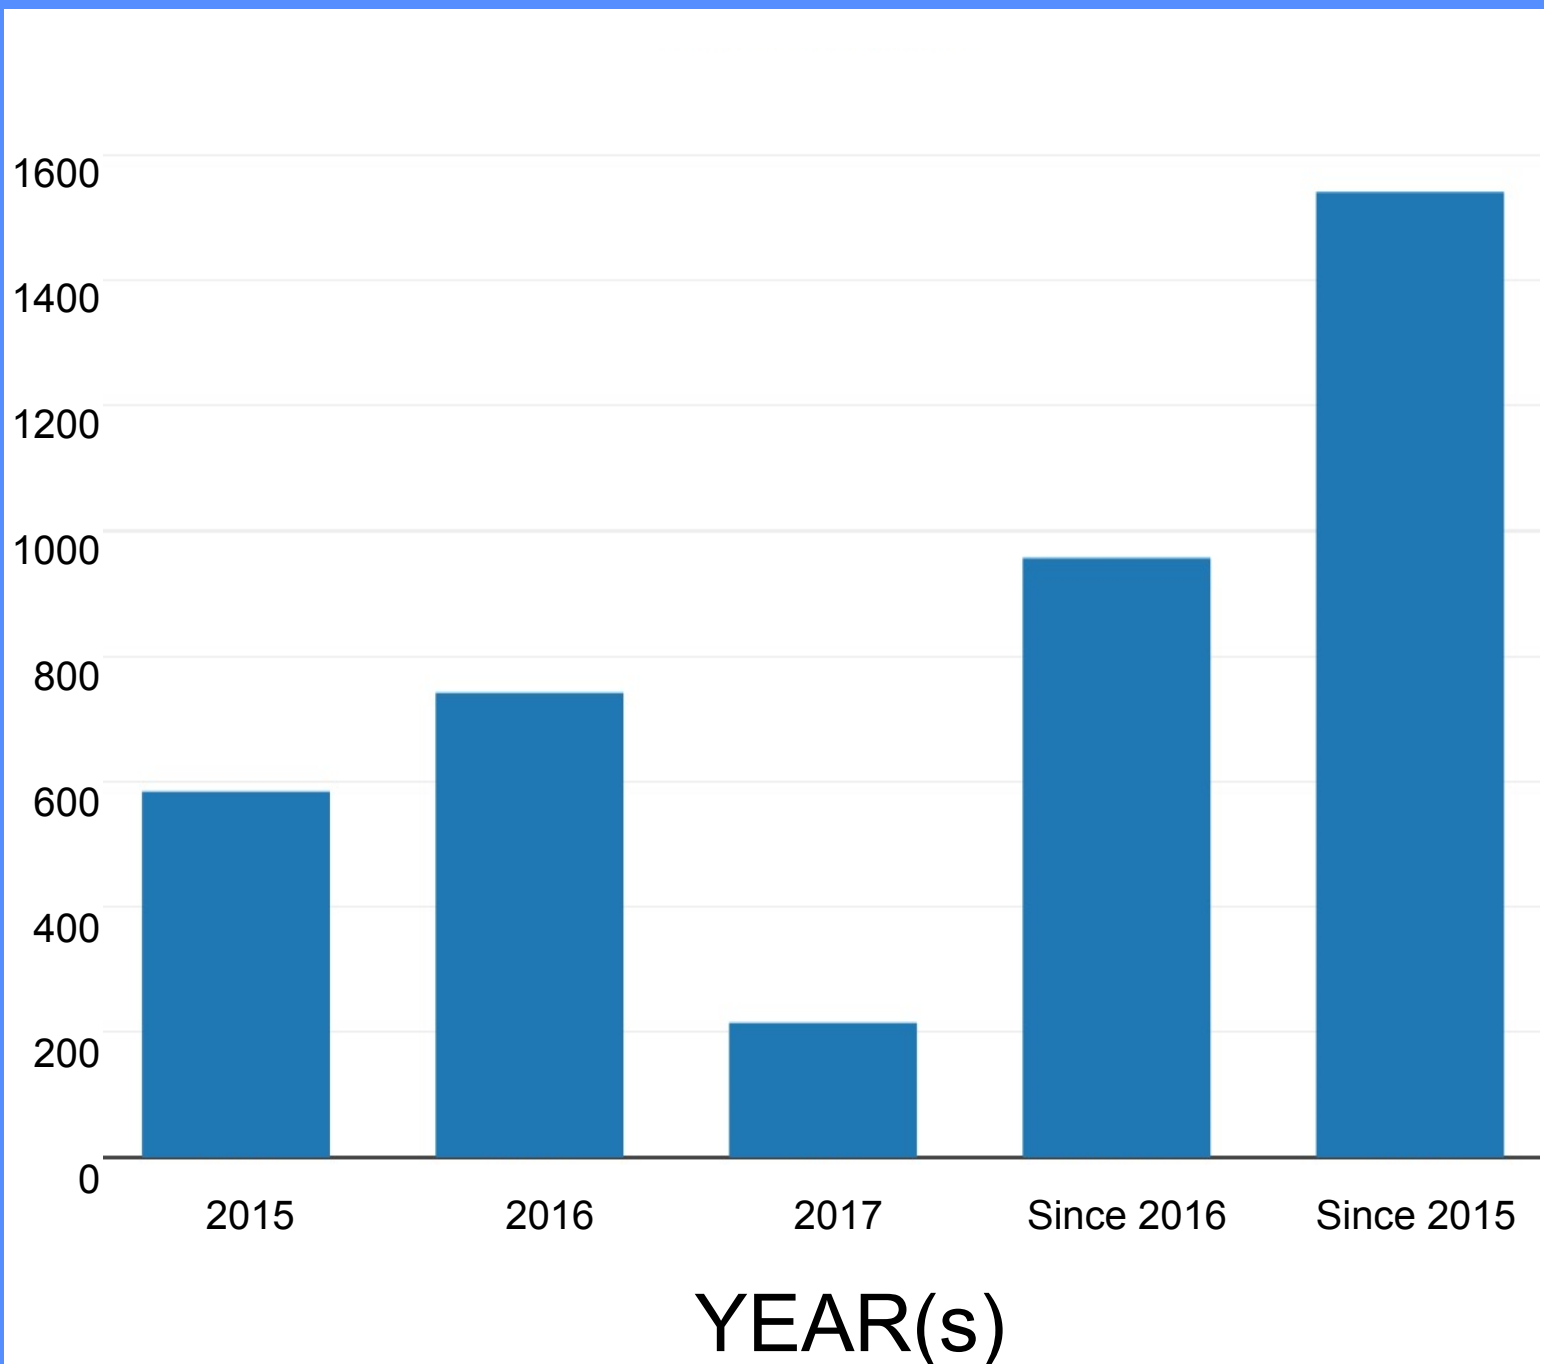

As a valuable member of our organization, Capital Cubing, we bring you a unique sponsorship opportunity.

Speedcubing is the activity of solving different kinds of twisty puzzles like the Rubik's Cube, 2x2x2 Cube, and others, in the shortest time possible. Official competitions of this activity are held all around the world, and are regulated by the World Cube Association. These competitions are mostly attended by school and college students and we expect around 200-250 people to register, making it a competitive stage for a large part of the cubing community.

For this grand event, we would like to invite your organization to partner with us in order to make this event a success.

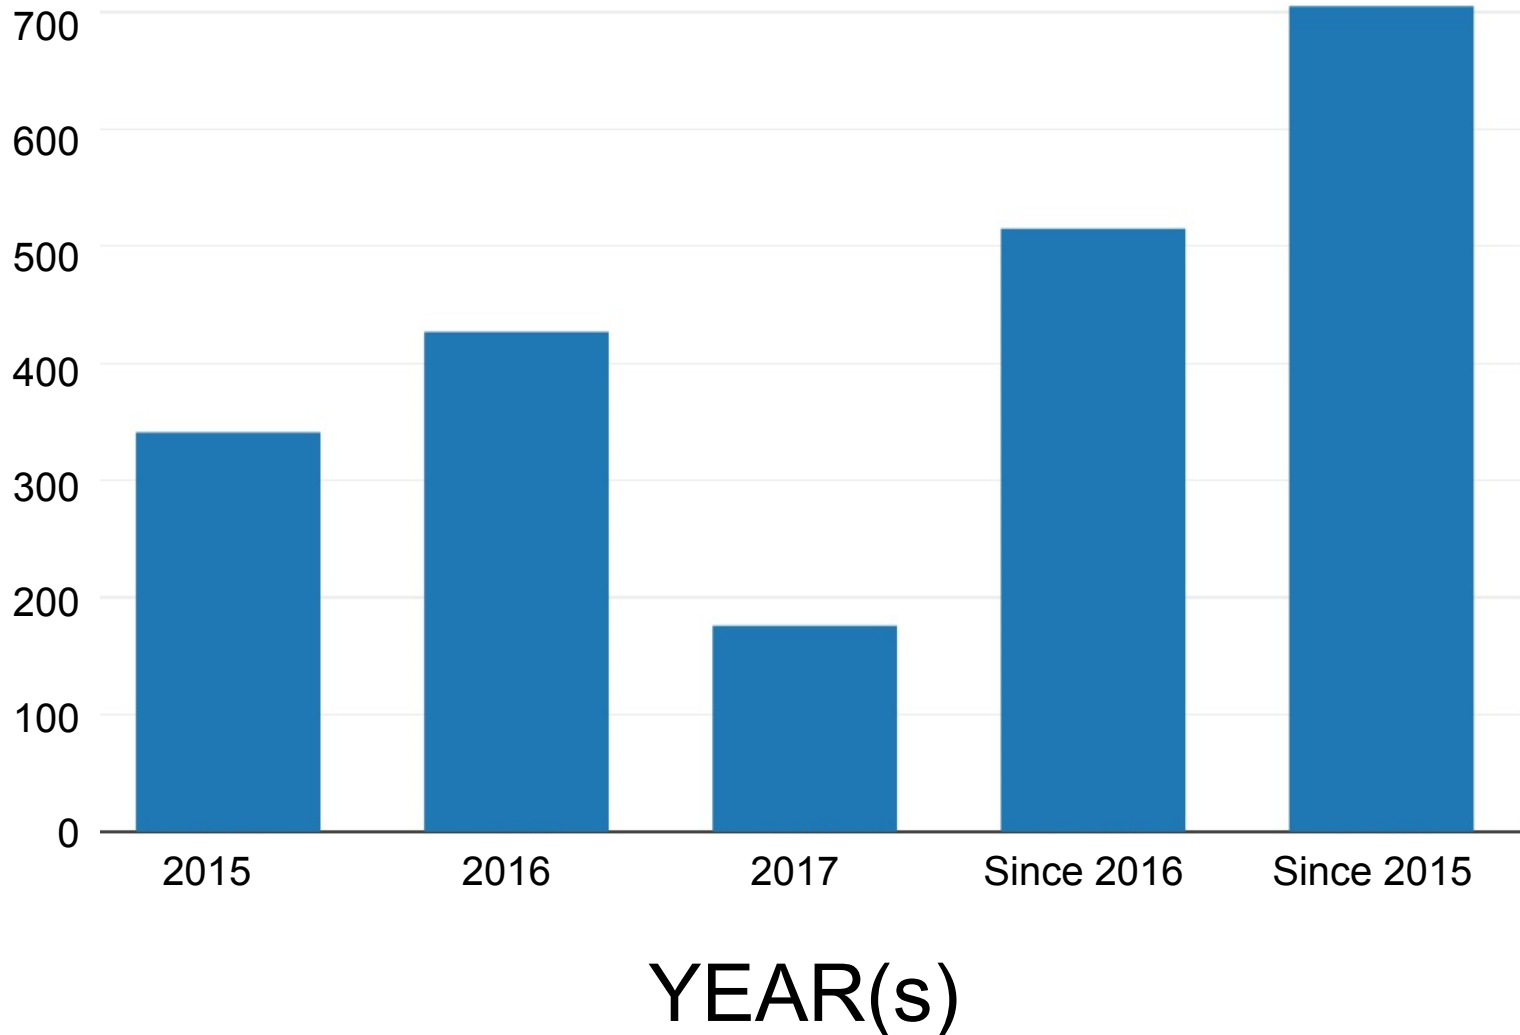

PAST YEARS' PERFORMANCES

NUMBER OF COMPETITORS

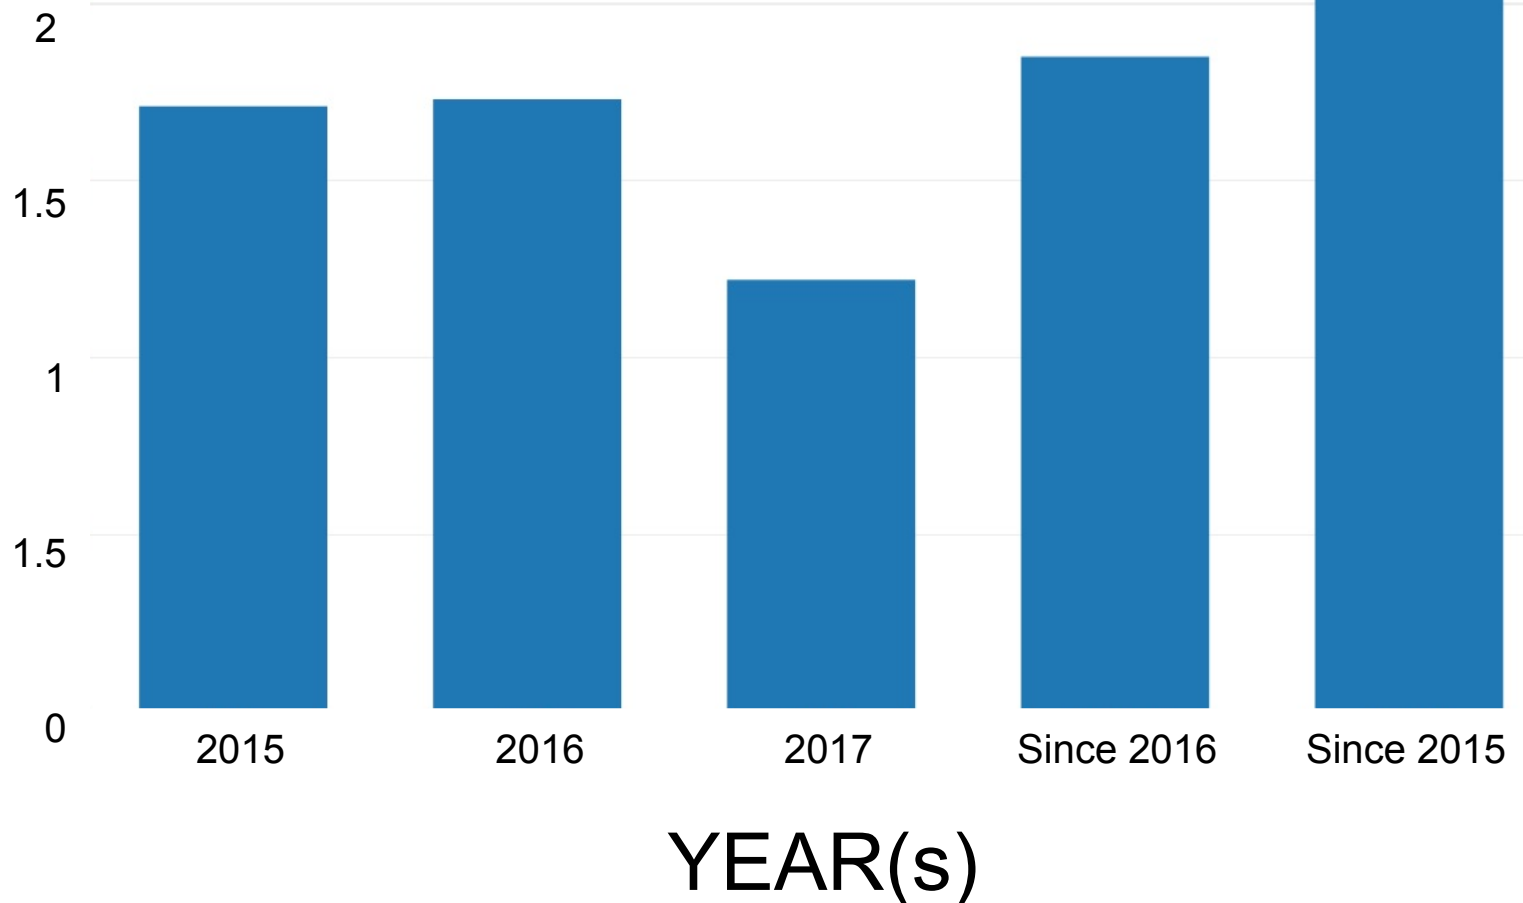

Capital Cubing has witnessed the maximum number of participants (total and unique) by any organizer in both 2016 and 2017.
