## Top Ten Yam Memes of 2017. Number 7 Will Shock You.

### YamFeed Issue 1

---

Our Republic may only be a couple months old but it's already created enough memes to last a lifetime. We've included the ten best below.

#### **Number 1**

Who can forget Batyam!?! He's the hero this Republic needs but not the one it deserves. He is our protector and our friend. Batyam forever!

---

## Number 2

Who said recruiting for the military needed to be boring? Not me! Propaganda has never looked as Yammy as it did in these two recruitment posters.

## Number 3

We can't all have Yamborghini's but those who do can't seem to stop showing them off. We're not complaining though! It's a beautiful car afterall.

---

## Number 4

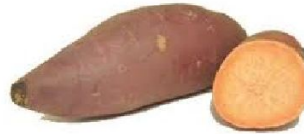

In a great example of taking an existing meme and modifying it to fit our Republic we see a great Yam memer demonstrating our military strength and humour.

# WHO WOULD WIN?

the most fearsome and highly trained army of the 18th century

some delicious funny potatoes

## Number 5

Here's another example of adapting an existing meme. It's great isn't folks? I haven't stop laughing since I first saw it!

fruits

potatoes

sweet potatoes

yams

---

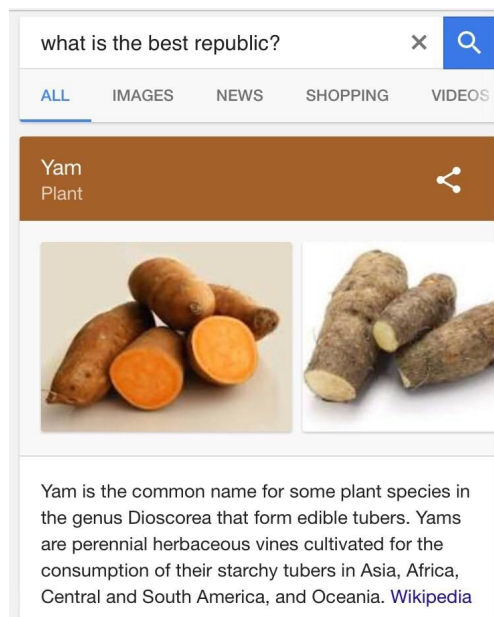

## Number 6

At number 2 we had posters for recruitment for the military and now at number 6 we have a victory poster after a hard-fought campaign. Our troops are heroes and we honour them all! Thank you brave Yams.

## Number 7

Need I say more?

---

## Number 8

Not just a great meme but also a great phone background. Absolutely brilliant!

## Number 9

Great pic of a happy Yam scientists! Our scientists work hard and play hard!

---

## Number 10

Anyone who tries to spread lies about Yams or says Purple yams are worse need to see this picture. All Yams are Best Yams!!
