

The Not so Straight

Art of Matt

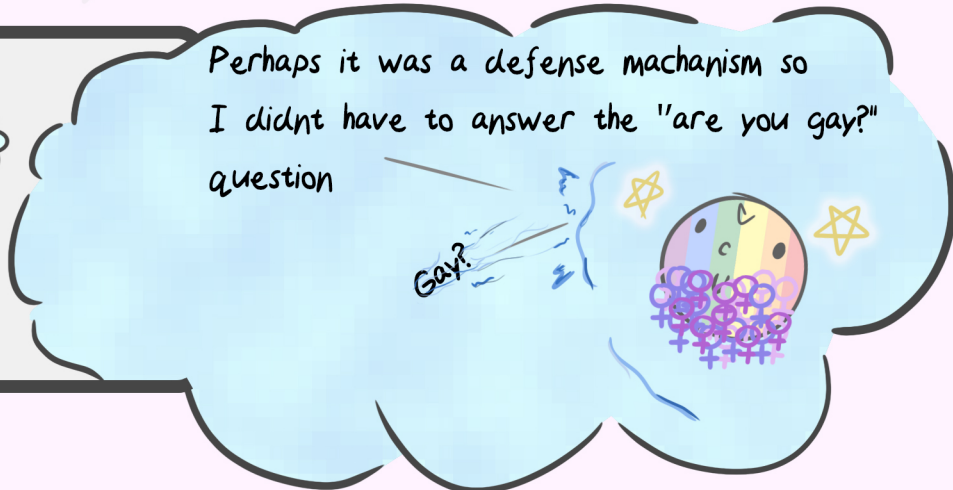

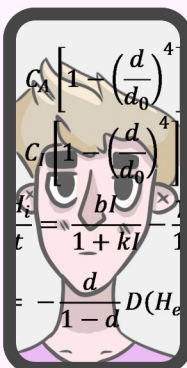

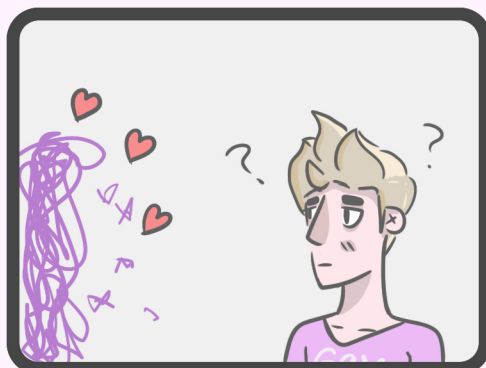

Hi and welcome to my art book/comic book thing, I'm Matt, the guy who made this, in this book you'll find a comic talking about my experiences of being closeted during highschool, some art and some shirt designs which are available on my redbubble -

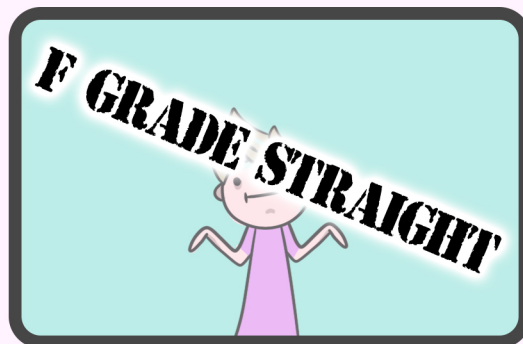

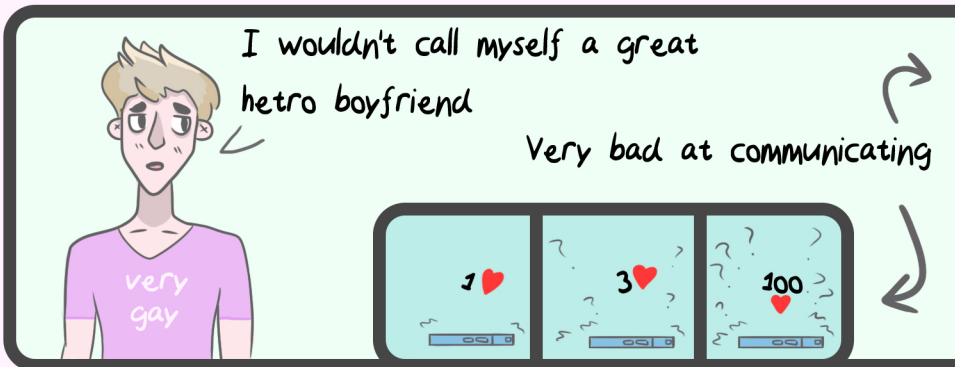

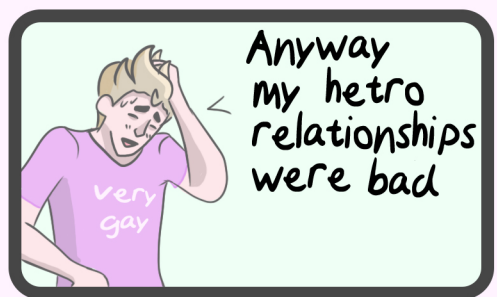

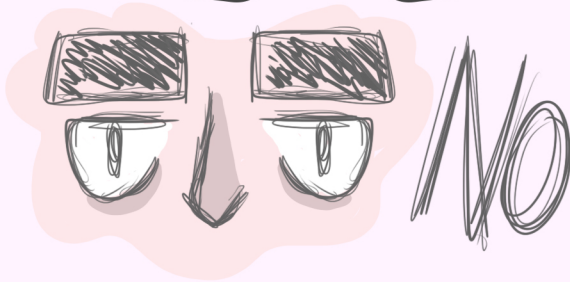

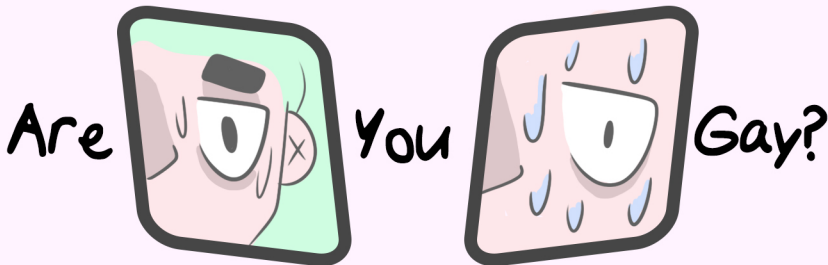

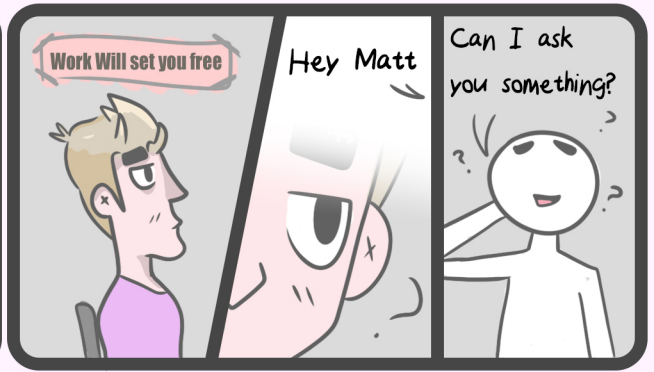

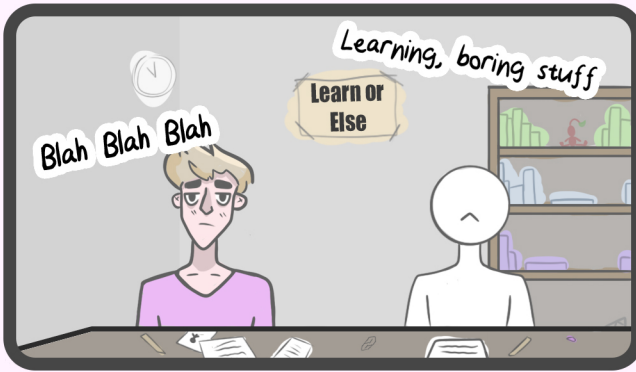

<http://www.redbubble.com/people/notmatt?asc=u>
or use the QR code provided underneath the shirt exhibit.

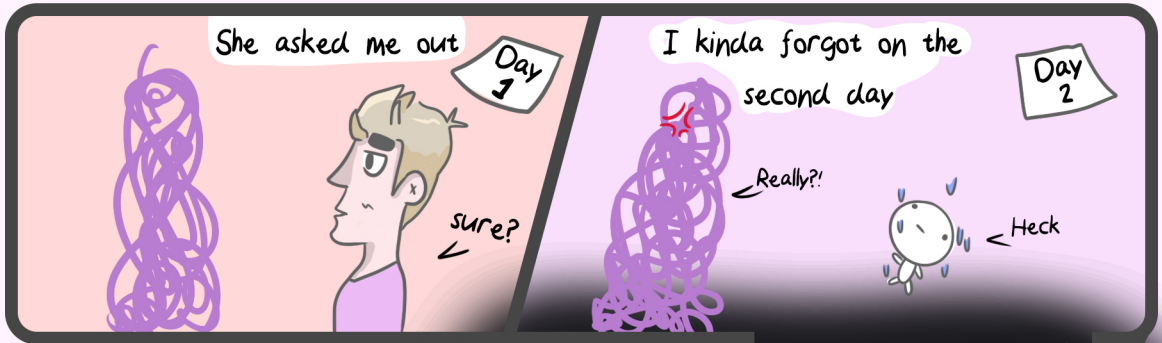

If you haven't caught on, I am a homosexual, so this is created with the LGBTQ community in mind.

Regardless I hope you enjoy what I've created.

This is a comic I was working on, I then scrapped due to time constraints and the fact that I didn't like it that much.
