

Exit 23 Bridge Construction – Summer 2017

Beginning in the second week of June, major construction at Exit 23 (Shartlesville) off Interstate-78 will start on the bridge. This project is expected to continue through mid-August, with complete closure of the bridge lasting approximately 40 days (beginning July 10th).

In anticipation of this construction, we wanted to offer alternative routes to Roadside America. We are located right off of Old Route 22, just outside of Shartlesville, PA. If you are planning your trip to Roadside America between mid-June and mid-August, we recommend using one of the below alternate routes.
