
Privacy Policy

Last updated: (26/06/2017)

This app is published by the Armageddon technologies.

Information Collection and Use

No information from the user is collected by the company.

Use of the Services

This augmented reality game is designed for android tablets and phones. The user can view 3 dimensional objects from their tablet or phone through the camera for which the app would require access from the camera.

Intellectual Property

The denomination “Earth Defender AR” and the company logo are exclusive property of the Armageddon Technologies and cannot be reproduced or distributed without acquiring permission.

The rights of 3D models and images imported from Unity Assets store and other sources belongs to their respective owners.

Liability

The User acknowledges and agrees Armageddon Technologies shall in no event be liable for any damages, direct or indirect, which the User may suffer as a result of the consultation of the app or by using its services.

The User expressly agrees that this exclusion of liability reflects the allocation of risks.
