

PSY 410 Week 3 Individual Assignment Eating, Substance Abuse, Sex/Gender/Sexual, Impulse-Control, and Personality Disorders Matrix and Paper

- **Create a matrix in which you address the following items:**
 - o **Define the major DSM IV-TR categories of eating, substance abuse, sex/gender/sexual, and personality disorders.**
 - o **Examine the various classifications of eating, substance abuse, sex/gender/sexual, and personality disorders.**
- **Prepare a 700- to 1,050-word paper, based on your matrix, in which you analyze the biological, emotional, cognitive, and behavioral components of eating, substance abuse, sex/gender/sexual, and personality disorders.**
- **Format your paper according to APA standards.**
