How to Get Payoneer Debit Mastercard and get \$25 for Free

Open an Account with Payoneer

Payoneer is a popular payment solution which makes sending/receiving payments seamless. Widely popular in non-US countries, Payoneer targets a huge market of freelancers, professionals and entrepreneurs who offer their services online.

When you sign up for Payoneer, they'll give you a free virtual US bank account number (most probably Bank of America) and a free MasterCard prepaid debit card (shipped to your location) as well. In short, you can provide your virtual account number and the routing number to any US company to receive funds via US Payment Service (ACH).

Companies like Up work, Tee spring, Freelancer, Airbnb, Google etc. offer Payoneer as a payment solution to transfer funds. (Remember, if your US company doesn't use ACH for funds transfer you won't be able to receive money)

What is a Payoneer?

Payoneer is an online global payments company that provides easy solution to make online payments, send and receive money from over 200 countries and also from US companies including PayPal, Amazon, and Facebook etc. Using Payoneer Master Card, you can withdraw your funds from anywhere in the world through MasterCard supported ATM machine.

What is Payoneer MasterCard?
