Nest Protect

Smoke and carbon monoxide alarm. [Watch video](#)

Know from anywhere

Sends a message to your phone if the alarm goes off or the batteries run low.

Tells you what and where

Nest Protect speaks up to tell you if there's smoke or CO and tells you where it is so you know what to do.

Heads-Up

Get a friendly alert so you can handle slightly burned toast before the piercing alarm goes off.

Nightly Promise

Nest Protect tests its sensors and batteries constantly and lets you know they're working with a quick green glow at night.
