

# STEPHEN RUTH

FOR STATE SENATE DISTRICT 2

Stephen Ruth is well known in his community as the “Red Light Robin Hood” for exposing the “Red Light camera scheme” in Suffolk County, which is the shortening of yellow lights to increase revenue, ultimately to steal more money from We the People. He continues to prove the red light camera program has not been implemented for safety but rather for money. Stephen Ruth wants a comprehensive evaluation as to where the revenue from the red light camera program is going, as well as all of our property tax money! He continues to fight local government corruption by exposing how campaign contributions are making the decisions of our politicians today. Stephen Ruth is not a politician, he is a regular working class man that wants to see change, as we need here on Long Island. The same old names will keep us where we are right now, and that is what is driving all of our children off Long Island.

**PLEASE HELP STEPHEN RUTH IN HIS  
FIGHT AGAINST CORRUPTION AND FINALLY  
MAKE A CHANGE HERE ON LONG ISLAND**
