SEDERA HEALTH IS REINVENTING HEALTHCARE JOIN US ON THURSDAY, AUGUST 15 TO FIND OUT HOW

WHO WE ARE

Sedera Health is an innovative medical cost sharing organization, helping businesses take a new approach to providing healthcare for their employees.

WHAT WE DO

Health insurance prices are skyrocketing and with Sedera, members save an incredible 30-50% of the costs typically incurred every month. In addition to financial returns, the Sedera community encourages living a healthy life. As a mission-driven organization, people are our bottom line.

WHY ATTEND THE EVENT?

Companies are seeking an alternative to impersonal health care system. Come see how the medical cost sharing alternative is revolutionizing how companies take care of their employees. And, how it may be the perfect alternative for your clients!
