Information collection and use

Our primary goals in collecting information are to provide and improve our Website, Application, services, features and content, to administer your use of the Website and Application and to enable users to enjoy and easily navigate the Website and Application.

Links to Other Sites

Our Application and Website may contain links to other websites and services. Any information that you provide on or to a third-party website or application is provided directly to the owner of the website or applications and is subject to that party's privacy policy. Our Privacy Policy does not apply to such websites or applications and we're not responsible for the content, privacy or security practices and policies of those websites or applications. To protect your information we recommend that you carefully review the privacy policies of other websites and applications that you access.

Session

We automatically collect session information about your computer and smartphone when you visit the Website and Application. For example, we will collect your IP address, Web browser software (such as Firefox, Safari, or Internet Explorer), and referring website.

When you visit the Website and Application, whether as a non-registered user just browsing, our servers automatically record information that your browser sends whenever you visit a website ('Log Data'). This Log Data may include information such as your computer's Internet Protocol ('IP') address, browser type or the webpage you were visiting before you came to our Website and Application, pages of our Website and Application that you visit, the time spent on those pages, information you search for on our Website and Application, access times and dates, and other statistics.

We use this information to monitor and analyze use of the Website and Application and for the Website's and Application's technical administration, to increase our Website's and Application's functionality and user-friendliness, and to better tailor our Website and Application to our visitors' needs. We also use this information to verify that visitors to the Website and Application meet the criteria required to process their requests. We do not treat Log Data as personal information or use it in association with other personal information, though we may aggregate, analyze and evaluate such information for the same purposes as stated above regarding other non-identifying information.

Cookies

Like many websites and applications, we use 'cookies' to collect information. A cookie is a small data file that we transfer to your computer's or smartphone hard disk for record-keeping purposes. We use cookies for two purposes. First, we utilize persistent cookies to save your login information for future logins to the Website and Application. Second, we utilize session ID cookies to enable certain features of the Website and Application, to better understand how you interact with the Website and Application and to monitor aggregate usage by PlayersOnCall users and web traffic routing on the Website and Application. Unlike persistent cookies, session cookies are deleted from your computer and smartphone when you log off from the Website and Application and then close your browser. Third party advertisers on the Website and Application may also place or read cookies on your browser. You can instruct your browser, by changing its options, to stop accepting cookies or to prompt you before accepting a cookie from the websites and applications you visit. If you do not accept cookies, however, you may not be able to use all portions of the Website and Application.

Aggregate Information

We may share aggregated information that does not include Personal Information and we may otherwise disclose Non-Identifying Information and Log Data with third parties for industry analysis, demographic profiling and other purposes. Any aggregated information shared in these contexts will not contain your Personal Information.

Information Shared with Third Parties

We may share aggregated information and non-identifying information with third parties for industry research and analysis, demographic profiling and other similar purposes.

Information Disclosed in Connection with Business Transactions

Information that we collect from our users, including PII, is considered to be a business asset. As a result, if we go out of business or enter bankruptcy or if we are acquired as a result of a transaction such as a merger, acquisition or asset sale, your PII may be disclosed or transferred to the third-party acquirer in connection with the transaction.

International transfer

YOUR INFORMATION MAY BE TRANSFERRED TO - AND MAINTAINED ON - COMPUTERS LOCATED OUTSIDE OF YOUR STATE, PROVINCE, COUNTRY OR OTHER GOVERNMENTAL JURISDICTION WHERE THE PRIVACY LAWS MAY NOT BE AS PROTECTIVE AS THOSE IN YOUR JURISDICTION. YOUR CONSENT TO THIS PRIVACY POLICY FOLLOWED BY YOUR SUBMISSION OF SUCH INFORMATION REPRESENTS YOUR AGREEMENT TO THAT TRANSFER.
