| PROJECTS |

GATHERED GARDENS |

gathered-gardens.herokuapp.com

Connects members of the local Growing Gardens Community.

Technologies: Angular, D3 library, custom SVGs, Bootstrap, & cloudinary for the front-end & MySQL, Node & express for the back.

Site features auth, a socket.io chat, a forum, and data visualization of produce, plots & gardens using custom SVGs.

GHOST RUSH |

ghost-rush.herokuapp.com

Facilitates tourists interested in exploring Ghost Towns in Colorado.

Technologies: Materialize, jQuery & GoogleMaps API for the front-end, and PostgreSQL, Node, Express & AJAX for the back.

DENVER NORTHWEST |

denvernorthwest.herokuapp.com

Takes users on a visual, interactive journey of the history of North Denver.

Technologies: Angular, JQuery, Bootstrap, AOS library, TimelineJS, SendGrid for the front-end, and PostgreSQL, Node & Express for the back.

Site features animations to guide users, interactive maps & timelines.

LOOK UP |

lookup.surge.sh

Enables space enthusiasts to explore interstellar phenomenon.

Technologies: Materialize & jQuery for the front-end, NASA, nuforc, TheySaidSo APIs, & AJAX for the back.

Site features astronomical photos of the day, randomly generated Carl Sagan

| EDUCATION |

BACHELOR OF FINE ARTS | [Boston University](#) | Acting, *summa cum laude* | Class of 2012 | Boston, MA

WEB-DEVELOPMENT CERTIFICATE | [Galvanize Inc.](#) | 2016-2017 | Boulder, CO

| ADDITIONAL EXPERIENCE |

Front End Web Developer & Designer | FitRock | April 2017-August 2017

Worked on local BoomTown start-up's Android/iOS application using Ionic V1 framework, AngularJS and Cordova plugin integration.

FreeCodeCamp Assistant Organizer | 2017

Provide assistance & instruction at Saturday meetup for beginner-level web-developers.

Service Industry Professional | 2005-2016

Jobs included: Server, Bartender, Hostess, Caterer, Cashier, Barista, Cook, Busser, Polisher, Food-Expo, Delivery-driver, and whole sale food-vendor.

Provided top-tier customer service, helped facilitate valuable, memorable experiences to countless patrons, exceeded expectations of employers and team-mates, cared deeply about, and brought meaning to what would have otherwise been average events. Brought the same level of dedication to 3 star Michelin restaurants as I did to companies in only their first year of business.

Professional Actress | 2012-2016

Acted in countless plays and several local short films and features.

Pursued Theatre career in both stage and film since I was little (2000-present). Attended specialized Highschool, majoring in Theatre and Orchestra (for the harp) and Boston University's conservatory from 2008-2012 for Performance. Represented by Radical Artists Agency out of Denver.
