JUNE MEETING

At the June 2011 meeting, our club were hosts to the Australian comedians, Hamish and Andy, and the RK Productions film crew. The group was in the process of three weeks of intense filming covering 9 - 10 states in the US doing their best to learn about unique customs, meet interesting people and discover what it is to live in the home of the brave and land of the free.

Hamish and Andy had spent time metal detecting with Steve Hamedl and Jim Sharp. Their finds were presented to the club for voting on who was the best hunter. The hours of filming did result in a 7 minute feature on their DVD, "Hamish & Andy's American Gap Year". Come to the meeting to see the video. You will get a tip from Steve Hamedl on how to pick up girls at the beach. Jim Sharp teaches Hamish how to "make out" at the beach.

JOIN US EARLY AT P.A. BBQ!
