August 12, 2017

Beware of an outsider who wants to try to break up your relationship with your partner today. Any existing issues should be settled between you and your beloved, and this outsider need not be allowed anywhere near your relationship. Any outside influences would only muddy the waters, so limit the outsider influence, communicate clearly, and you will be fine.

Today you need to make sure that you are giving yourself positive affirmations and have high self-esteem. Perform acts of generosity that in turn make you feel proud of yourself. The healthy glow that you feel inside will surely radiate to others around you. At the end of the day you will regain lost confidence and feel much more self-assured.

Your heightened physical charm attracts someone to you, but you don't seem to be able to respond appropriately. You might want to take a few steps back and first figure out what you would want from this new relationship before you dive in head first. You may find that you are in something that you don't know how to handle if your head is not clear when you go in.

Today the lesson you will learn is, 'If you want something done right, you have to do it yourself.' Try not to learn this lesson the hard way and make sure that things that are very important to you are under your control. Don't assume that others are completing your work to your specifications without checking it for yourself.

You are really in great spirits today as the Moon makes its presence felt in Pisces. astroYogi astrologers suggest that any plans regarding a new business venture or a project should be started now as this is a positive time for you. Any investments made now shall bring you good results. Plan anything important between 2:00 pm and 3:00 pm for optimal results. Also if you have been facing any hurdles on the professional front, don't drain too much energy on them as it will be resolved soon. Wearing a shade of Green will help attract a lot of positive energy today.

Be careful where you leave your possessions today as some losses are likely. Avoid carrying any valuable stuff with you. You will tend to be a bit absent-minded and in the process might misplace some of your valuable possessions or put them in a situation in which they might be stolen. Keep a note of where you keep your things to avoid mishaps. Remember, anything can happen today!

Take good care of your health, as your immune system may be a bit weak now. You need to revitalise and rejuvenate your body and you can do that by abstaining from junk food and street food as they are not prepared in hygienic conditions. Drink lots of water and increase your intake of fruits and vegetables. Also exercise regularly, and go for a brisk walk every day.

If what you see by the eye doesn't please you, then close your eyes and see from the heart. Because the heart can see beauty and love more than the eyes can ever wonder.

JAN 21, 2017 ✕ KOLKATA, INDIA

Relax, smile; loosen up in mind and body and behaviour.

Relax and take a breather whenever you feel that you need one. Happiness is not about being immortal nor having food or rights in one's hand. It's about having each day tinged with some truth, or having something to eat when you are hungry or having someone's love when you need love. Love is a lamp, while friendship is the shadow. When the lamp is off, you will find the shadow everywhere. Love is a lamp, while friendship is the shadow. When the lamp is off, you will find the shadow everywhere. Friend is who can give you strength at last. Friend is who can give you strength at last.
