EXPERIENCE

VIPKID

Online

Online platform based in China that hires native English speakers with qualified backgrounds to teach, tutor, and improve the English skills of students in China.

English Teacher

February 2017 – Present

- Taught English to students in China through VIPKID's online platform
- Utilized various lessons plans created by VIPKID to teach students

Auxiliaries of Conversation - Madrid

Madrid, Spain

Program offered by the Community of Madrid which employs English speakers from native speaking countries to work as language assistants in various schools throughout Madrid. I worked in a primary school teaching elementary aged children.

Auxiliary of Conversation

September 2016 – June 2017

- Served as a language assistant for the English teachers.
- Prepared lesson plans according the subject matter being taught to the students at the time which lasted the duration of class time and were taught by myself.
- Coordinated with various teachers in teaching several subjects to the classes of students we shared
- Primarily taught in English classes, but also worked with teachers in other subjects while keeping an emphasis on strengthening the students' English levels

D.E.S.I. Learning Center

Torrance, CA

Educational facility offering supplemental classes for students as well as custom designed tutoring programs. Primary clients were elementary school aged children ranging from 5-12 years old. .

Tutor

September 2014 – September 2016

- Taught and designed lesson plans for various subjects and classes.
- Worked in large class room settings, as well as smaller focus study groups
- Analyzed students weakness in certain subjects and worked directly on improving their proficiency

CSULB Tutoring Department

Long Beach, CA

Language tutoring program sponsored by Cal State University's library department which organized tutoring for those seeking to learn or improve a language

Teaching Assistant

February 2012 – April 2015

- Tutored various students with different levels of English proficiency
- Taught using different methods ranging from conversational to grammar based exercises
- Worked with groups ranging from 1-2 students, up to 15
- Received weekly training on how to effectively teach and tutor English

Grade Potential Inc.

Torrance, CA

After school program designed to help younger students (elementary level) improve in school subjects in which they would like further assistance. Help ranges from tutoring, to assistance with homework.

October 2011 – June 2013

- Worked with students to improve them in various school subjects in which they required assistance.

OTHER**Harbor Interfaith Services**

Non-Profit organization that provides several resources for the homeless and working poor. Services range from homeless shelters and food donations, to helping find employment for those out of work and in need.

Volunteer

August 2011 – June 2015
