For the Strip and End Play and Entry classes, you might be interested in Audrey Grant's newest publications on Endplays and Entries, which I will have in class following our study of these somewhat difficult concepts.

All classes will be held from 10 a.m. to noon at the Bridge Club at Port Royal Plaza. Each session stands alone and includes notes, handouts, and hands dealt to the lesson. Contact Kathie Walsh at 843-689-6239 or at kbwalsh@roadrunner.com for more information.
