These TIKI Brand torches are thoughtfully designed to create your own personal paradise in your backyard. They're perfect for family gatherings, neighborhood BBQs—even an evening playing with your kids on the trampoline.

They are not, however, suitable for use by Nazis, or any other racist bullshit. If you have nothing better to do on a Friday night than protest the assault of your white privilege, you don't need a TIKI Brand torch—you maybe need to get a pet. Maybe a turtle, they're pretty chill. Or a snake.

TIKI Brand is a registered trademark of Lamplight Farms Incorporated, and they didn't create or endorse this sign. One of your fellow human beings, a real person who maybe one day will donate the blood needed to save your sorry life—because, after all, it's the same blood as yours—decided to print it out and put it here.
