**LAL BHATIA, PROVIDES EXTENSIVE UNOPPOSED EVIDENCE TO THE GOVERNMENT OF INDIA, MINISTRY OF EXTERNAL AFFAIRS, CONDEMNING UNITED STATES OF AMERICA'S SKULLDUGGERY TO HIDE BCCI-MON WIG'S MONEY LAUNDERING ACTIVITIES FOR INDIVIDUALS FROM CUBA, IRAN, LIBYA, MEXICO, MYANMAR AND SUDAN. CALLS FOR ACTION NOW BEFORE MORE DISASTROUS CONSEQUENCES THAN THE SEPTEMBER 11 TERRORIST ATTACKS ARE EXPERIENCED.**

**INDIA (August 16, 2017)** – By providing detailed unopposed evidence (Grievance No.: US8PHY102775317) to the Government of India's Ministry of External Affairs, Lal Bhatia is fighting back against the United States of America's skullduggery to conceal Bank of Credit and Commerce-Allied Group; Mon Wig, Managing Member, Wig Properties LLC; and others' specific money laundering activities for individuals from Cuba, Iran, Libya, Mexico, Myanmar and Sudan, and calls for action against the United States of America's unjust, corrupt, biased and broken "system."

Based on extensive court litigation in the United States of America, the United States government conceded that Lal Bhatia was physically, economically and mentally tortured, persecuted and victimized by them. Particularly, because Lal Bhatia exposed substantial unopposed evidence of Bank of Credit and Commerce-Allied Group; Manmohan "Mon" Wig; and others' specific money laundering activities.

"Despite the brazen cover-up of BCCI-Mon Wig's specific money laundering activities, condoned by crooked, and corrupt government officials in the United States; Mon Wig will eventually be put out of business, but that does not mean that the "system" worked, as the saying goes," stated Lal Bhatia, "the "system" continues to fail, even though based on the unopposed evidence, it is only logical, that, BCCI-Mon Wig's criminal orgy will finally end, perhaps with even more disastrous consequences, than the September 11 terrorist attacks. Indeed, one terrorist nuke, for example, assembled from stray fissile material, purchased with BCCI-Mon Wig's laundered millions, can ruin your entire day."

This is a call on all people who do not want to experience more disastrous consequences than the September 11 terrorist attacks, to raise their voices by:

- **Contacting:** Sushma Swaraj, Minister, Ministry of External Affairs, Government of India. Phone 23011127 / 23011165; Email: [eam@mea.gov.in](mailto:eam@mea.gov.in); twitter: @SushmaSwaraj

With the following message:

"This is a call for action as I am deeply disappointed that the Government of United States of America physically, economically and mentally tortured, persecuted and victimized Indian citizen Lal Bhatia for exposing the specified methods; approximate dates; amounts laundered; bank account numbers; and, conduits used by Bank of Credit and Commerce-Allied Group; Manmohan "Mon" Wig; and others' to launder billions for individuals from Cuba, Iran, Libya, Mexico, Myanmar & Sudan."
