Selecting the right advertising agency is one of the complex tasks. There are some ways following which you can choose the best advertising and [PR agency](#) for your brand.

1. List your criteria of what's important to you

The first thing you need to do is to make a list of things that you want from the advertising agency. Do

you want your agency to be local? Do you need next day turnaround? Do you need them to have Web design capability?

2. Make a short list

After listing your criteria the next thing you have to do is to make a short list of the companies that fulfill your desired needs. Get referrals and take a look at companies whose marketing strategies you admire and put those companies in your list.

3. Weight the importance of each item

After listing, rate these agencies according to your need. You can use any scale you like; 1-5 or 1-10. After rating select the top 5 agencies from the list.

5. Meet them in person :- After shortlisting the [advertising agencies](#), schedule a meeting and meet with the owner of the agency. At this meeting you will get to know each other and you can use your spreadsheet to ask them questions.

7. Choose After you've met with all the agencies on your requirements and after rating them you'll have an idea about which is the best creative agency for you?

Although, choosing the right agency is a complex issue but with the help of these steps you can find the best advertising agency that can help you in achieving your goal.
