The Golden Estate is India's leading [senior living residential community](#) that takes complete care of elders. We provide safety, security and freedom along with the other requirements depending on their needs, health, family situation, culture, etc. We aim at ensuring the best senior care as well as assisted-living facility.

Enjoy your retirement years

Located in Delhi, The Golden Estate is a place of scenic marvel with lush greenery and backwaters. Clean, fresh air and an atmosphere most unpolluted keep TGE ever serene and calm. The magnificent view of landscape adds welcome ambience. Rejuvenating your mind and body, here is where celebration begins after 55. With utmost respect to the resident's lifestyle, The Golden Estate promises happiness and peace. We help you in enjoying your retirement years with the least amount of worry. As long as the resident is healthy and able to manage daily chores, they are free to do whatever they wish and continue the life to which they are accustomed. If needed, we also provide assisted living care that includes home nursing.

What senior citizen living homes means

Senior living homes doesn't necessarily mean being senile and feeble. Life at TGE begins at 55 and keeps you youthful from then. Go out, breathe the fresh air, meet people, laugh out, make fun, and create memories because as one of the best paid [senior citizen homes](#) Delhi, we believe old age is just a matter of having more experience relish it.
