16:00 - 16:30 prize giving and close

5½ hours racing excluding warm-up laps.

Guidelines for freestyle and racing:

Timing: TBS system, backed up system in event of failure stop watch cell phone timing (Spotters).
Night race not on TBS

Record keeping: TBS backed up by manual records – on spread sheet but screenshots or photos of each race result are kept.

Participants must fly two different choreographed sequences of 2 minutes each (one in each session) to music of their choice. Music to be handed to race control on a usb stick. Judging criteria will be circulated.
