

Member Acknowledgement

Over the last weeks CGI worked very hard to bring the below documents to final stage, they enter into force together with CGI's new fiscal year.

(meaning as of October 1st, 2016)

- Company Car Program (updated)
- Mobile iPhone Program (new)
- Working Regulations (Arbeidsreglement/Règlement de Travail) (finalized)

Those can be consulted and accessed on our local HR page on CynerGI (*My CGI > Functions > Human Resources*).

We invite all members to read the programs carefully and sign this document to confirm that you have read and acknowledged these documents.

We do not exclude any future updates, of course with due care and after the consultations and procedures CGI as employer needs to follow.
