WHAT INSPIRED YOU TO REAPPLY?

The Dawg Camp Magic. It is something that is so powerful and omnipresent in the Dawg Camp community. It can be felt by everyone but words cannot express the feeling and cannot do it justice. I want to experience it again, even if it is just one more time.

THREE WAYS YOU PLAN TO STEP UP AS A RETURNER

- Being a source of knowledge for first-time counselors.
- Being able to support and assist the Student Coordinators as they embark on their inaugural summer.
- Teaching a tradition and leading an ice breaker during trainings!

EXAMPLES OF JUSTIFICATION

During identity walk, a camper of mine asked to leave our small group room. I went outside to check on her where she told me some troubling moments of her past. I remember how I reacted and I remember my inner monologue as it all was going on. We stood outside hugging each other while I thought to myself what I could do to help her. I came to the conclusion that all I could do was be in the moment and comfort her as much as I could. I lead with love being in the forefront of my mind, especially in crisis situations which would be an asset to the DC18 staff.
