

JAY BIRD

Artist: Jay Bird feat. Trisch

Title: Here With You

Release Date: November 3rd

Label: Independent

Release Description:

Here With You marks Jay Bird's first official release to feature a lead vocalist. The song compliments the powerful vocal work of Trisch by combining colorful trance textures with uplifting, tropical melodies. Think somewhere in between Above and Beyond, Yotto, and EDX. "My goal in writing the music and lyrics for the song was to create something focused on emotion and melody while still being stimulating enough for a dance floor atmosphere." In between the progressive builds and peaks of the track, you'll find a warm-bodied bass line and a driving four on the floor beat to keep the track pushing forward.
