

WELCOME!

Welcome to the next evolution of flight deals—Thrifty Traveler Premium! Our approach tailors international flight deals to your designated departure region. **You'll be the first to know when we find the hottest deals.**

Don't worry, we aren't going to spam you with crappy deals. You're only going to receive the best deals we find.

Right now, you're signed up to get flight deals for all 5 departure regions (1-2 Premium emails per day).

Too many emails? You can change your preferences at any time. But, we recommend you wait to make changes.

Take a week or two to get acquainted with the new service and then tailor your departure regions accordingly.

You may find that only 2-3 departure regions are accessible to your location, or you may find that just 1 works best. You can change your preference at the bottom of any Thrifty Traveler Premium email—at any time.

You're likely also a subscriber of our **free daily Thrifty Traveler newsletter**. We suggest you stay on that mailing list, too.

The main Thrifty Traveler newsletter has slightly different deals (including those for domestic travel), along with important travel news and thrifty tips we think you'll care about.

Here are a few things you might be wondering about your new Thrifty Traveler Premium subscription...

HOW DO I LOG IN?

There is no login. This is an email only subscription. At the bottom of each Thrifty Traveler Premium email, you'll see a link that you can use to change your email address and region preferences.

HOW DO I UPDATE MY DEPARTURE REGION?

By default you'll receive emails for all regions. Select **Update Your Preferences** at the bottom of any Thrifty Traveler Premium email to change your region selections.

CAN I CHANGE MY EMAIL ADDRESS?

Change your email address by selecting **Update Your Preferences** at the bottom of any Thrifty Traveler Premium email to change your email address.

WHAT IF I'M NOT GETTING ANY THRIFTY TRAVELER PREMIUM EMAILS?

The emails are likely going into the "Spam" or "Promotions" folders. You can avoid this by adding us to your email contact list. In Gmail, you can also drag and drop one of our Premium emails into the "Primary" tab, which will ensure it's always in your primary inbox, instead of "Promotions".

HOW LONG DO I HAVE TO CLAIM A THRIFTY TRAVELER PREMIUM DEAL?

You'll be the first to know about incredible flight deals from your selected region(s). Flight deals are time sensitive and you'll want to act quickly! Most flights have a 24-hour cancellation policy—meaning you have 24 hours to cancel your booking. So, book now and ask questions later!

TIP: Check out our **Travel Hacking Facebook group**, exclusively for Thrifty Traveler Premium subscribers! This is where we post practical tips that don't make it to the main website.
