

Best Time to Visit Udaipur with My Udaipur Taxi

[+91-72300-59840](tel:+91-72300-59840)

Plan your trip to Udaipur by getting to know the season, climate and which places to visit in Rajasthan at which time of the year. Locals and travel experts recommend the period between the months of October to March as the best time to visit Udaipur. Summers are scorching whereas during winters, temperature comes down to the bottom of the mercury level. Traveling to Udaipur in summers is not recommended as it could be an uncomfortable trip for those hailing from cold countries and states. The temperature in Udaipur varies from 45°C to 47°C during summer. May and June are considered as the hottest months of Rajasthan. During summer, the days remain extremely hot but the nights remain chilled.

Visiting Udaipur in Summer

If you are visiting Udaipur during summer then also take a trip to the only hill station of the state, i.e. Mount Abu, which is nestled in the Aravali hill ranges. It experiences the lowest temperatures in the summer months.

In order to avoid the heat and feel comfortable during your visit do take some precautions. Fill your bags with light cotton clothes, hats/caps, scarves and sunscreen lotions can help you to keep heat strokes at a bay to some extent. The intake of fluids will keep you hydrated. Beat off the heat and enjoy to your heart's content.
