Escape Mrs. Elizabeth's Classroom!

It's Friday at 3 pm and you pick up your backpack to try and leave the classroom. Just before the bell rang, Mrs. Elizabeth stepped out of the room. You pick up your backpack to leave and head over to the door. However, when you turn the door knob to leave the room you realize that it's locked! The smartboard turns on and there is a message from Mrs. Elizabeth stating that she as locked you in the classroom for the entire weekend! She says there is a key hidden somewhere in the room. However, it's hidden using a bunch of clues and puzzle pieces. You have one hour to escape or it is a 500 page report for you!
