EXT. HOUSE - DAY

A HUSBAND and WIFE walk up the driveway, holding hands, aware of the camera in a way that says this is a documentary.

HUSBAND
We're pretty excited. Right?

WIFE
For sure. We knew we weren't the only ones-

HUSBAND
Obviously.

WIFE
But it's a little out there, so when we found out it's a whole lifestyle...

INTERVIEWER
So this is your first swinger party?

WIFE
Like an official party? Yeah. But we've been, I guess what they call "swingers" for a long time.

HUSBAND
We actually met swinging.

INTERVIEWER
(shocked)
Really?

WIFE
Not that we tell everybody..
(beat)
So we're dying to go in and meet people.

INTERVIEWER
Go for it.

HUSBAND
(delighted)
That buffet had those little weenies

A Swinger Lady crosses

SWINGER LADY
And some big ones too.

HUSBAND
I didn't see those.

INTERVIEWER
So i was asking if you ever get
jealous?

HUSBAND
What? No. I'm usually the one
behind her you know? So if some
other guy wants to take a turn..
awesome. Because she'll go for
hours, and wear any guy, or lady,
right out.

INTERVIEWER
So this is about her getting what
she needs?

HUSBAND
No, I love swinging too.

INTERVIEWER
What do you love about it?

HUSBAND
Obviously, the way it feels.

INTERVIEWER
Sure

HUSBAND
And the freedom? The wind in your
hair. Back and forth, the sounds of
children playing..

INTERVIEWER
What now?

HUSBAND
The whole playground really. The
monkey bars. The slide.

INTERVIEWER
(turning to camera)
Hold on, I think there's been a
misunderstanding...
