MILK YOGHURT BUTTER GHEE

Asas has been in the dairy industry for a long time dating back to the early 80s, but the effective dairy processing started 2000. Our milk known as Asas milk is one of the best in Tanzania and the region.

Asas Dairies is located on mbeya road in vinga region (southern highland Tanzania) and has a branch in Dar es salaam as its center of its marketing distribution and ready to open others in Dodoma and Mbeya so as the distributor to the areas already named.

Our milk is processed to the highest industrial standards and certified by Tanzania Bureau of standards.

Recognized and Awarded
Asas Dairies won the Gold
Award in Geneva at the
Century International
Quality Ex Awards
2004

Our business encompasses receiving of raw milk from our dairy farms and other suppliers, processing it into various milk products and marketing and selling for the benefit of the company shareholders.

The products range encompasses wide range of products such as fresh milk, flavoured and plain yoghurt, cheese, Ghee and butter.
