## *Author's notes*

*The text below is Q's writings that were copied verbatim and then painstakingly inverted and reduced for the ease of consumption. Adding answers or summarizing text was done at a bare minimum and only when required and absolutely factually verifiable, with an emphasis placed on brevity and retaining the core message. Acronyms were also written longhand and position titles added where it was deemed appropriate.*

*The writings from October 29 and 30 have been categorized and restructured. The author's takeaway is these posts are a concise summary, while October 31 and beyond focus on the details of this text.*

## October 29 and 30

### Mockingbird

#### **Open your eyes. Through the looking glass.**

They rely on the MSM to keep the narrative going, but technology is entrenching on their controls. They missed this in 2016 and are desperately attempting to censor it now due to CIA cash infusions. This will fail.

### POTUS

POTUS must go around the 3 letter agencies. He is surrounding himself with generals and military intelligence. The Supreme Court allows for the use of Military Intelligence against Congressional assembled and approved agencies. POTUS has the ultimate authority over our branches of military without approval conditions (unless 90+ days in wartime conditions) to defend threats, both foreign **and domestic**.

Military Intellingence/State Secrets can be used against any three letter agency. A Supreme Court decision opened the door for a sitting President to activate the National Guard. The US Military will conduct the operation while the National Guard is activated. Proof check: Locate a National Guard member and ask if activated for duty October 30 across most major cities. Expect massive riots organized in defiance and others fleeing the US to occur.

POTUS won't go on TV to address nation and he must isolate himself to prevent negative optics. He can't address the nation as people begin to be indicted and must appear neutral. POTUS knew that removing criminal rogue elements was a first step and essential to freedom to pass legislation. Someone has access to everything

classified. It's a priority to clean out the bad actors and unite the people behind the America First agenda. POTUS is 100% insulated.

## Huma/Hillary

Hillary's extradition is already in motion effective October 27 with several countries in case of cross border run. Passport is approved to be flagged effective October 30. Hillary is detained, but not yet arrested. Find and follow Huma Abedin. This has nothing to do with Russia (yet).

Hillary, Soros, Obama, etc. don't have more power than Trump. Whomever controls the office of the Presidency controls this great land.

Hillary wasn't prosecuted for the emails because Obama ultimately OK'd it by using the non government email address to communicate with Clinton. Obama also had an alias along with each of his cabinet members. Therefore, indicting Hillary would lead to indicting Obama & his cabinet, which could never happen. He lied about knowing which ultimately came out in the dump. Poof!

Find where Anthony Weiner is being held. He (Huma Abedin's husband) is in federal jail. Hillary: Muslim Brotherhood or child? What would you do? Kiss your child goodbye and leave without a mother or father for Clinton. Find Huma Abedin on October 29. She was with Hillary on her book tour. Follow Huma Abedin on October 30. Hillary had a special mentor.

When Hillary lost, how could this debt be repaid? What did Obama do with cash just prior to leaving office? Repaid those who donated for favors/access. Dig!!!! Again, good people were forced into bed with this evil under personal and family threats. You couldn't live with yourself helping to cover up such evil despicable acts if given a safe way out. These people worship Satan. Some openly show it.

## G-men

Many in our government worship Satan. It's not about RvD at this stage. Have faith.

Regarding Military Intelligence / State Secrets. No FBI.

POTUS installed his people within each top spot at each 3 letter agency except 1. Adm Rogers (Dir., NSA) kick started this and scrubbed all POTUS nominations to verify his oath. You think they aren't in control of those respective agencies? Look at the most valuable information AG Sessions has on the leakers. Fire or prosecute. A reorganization is underway and is happening. Senate Republicans pushed for Federal Judge confirmations last week. Senate Republicans are now dropping out. Not by choice, but they were offered a choice (rest assured they will vote pro Trump). Projection democrats can't lose control over the black population.

Military Intelligence v FBI, CIA, and NSA.

There is no current approval or congressional oversight as State Secrets are upheld under the Supreme Court. POTUS can impose Military Intel take over the investigations for the 3 letter agencies, but conditions must present itself. **This is so VERY important.**

Someone surrounds POTUS. They lost this very important power - the one area of the government not corrupt and directly serving POTUS. **The Military Intelligence reference above is the absolute biggest inside drop this board will ever receive.** Now think about why ANTIFA plays right into the plan. Always ahead. Good guys are winning. Think about the timing of POTUS traveling to China and South Korea.

The FBI and Military Intelligence have an open investigation into the Clinton Foundation. Comey droped this. Comey was the FBI director during the Haiti crisis. Many kids disappeared. The money that was sent to the Clinton Foundation under disguise of the Haiti Relief is missing. Countries donated big money to the Clinton Foundation and much was owed by accepting it.

## Shifting powers

This was a hostile takeover from an evil corrupt network of players (not just Democrats). Democrats and Republicans never believed for a moment they would lose control. This is not a RvD battle.

Follow the money, it's the key.

Soros donated all his money recently. Soros transferred his bulk public funds to a non-profit. He placed it all in a Renewal Community. Soros' son had several meetings with the Canadian Prime Minister and that is related to Clinton's. Can you rely on being able to board a plane and fly away?

Look at Pelosi's net worth by way of one example. Her memory is apparently going. It's cover for possible future indictment.

McCain never had surgery and that was a cover for a future out if need be against prosecution.

Note this doesn't include massive slush funds that are pulled by several high ups.

MS-13 is a priority - nobody got this. People pay such gangs to kill opponents to insulate against exposure. The truth is mind blowing and cannot fully be exposed. Many are thinking from one point of view, US only. This evil is embedded globally. The US is the first domino.

At some point, the great awakening will occur whereby these false local/national black leaders who are corrupt and paid off to help keep the black population poor and in need. Democrats formed the Confederate States against freeing slaves and also the KKK. When the truth about Haiti is released, democrats will lose the majority of the vote.

# Uranium 1

It finally came out that Rod/Bob were key players in the Uranium 1 scandal. POTUS would be tweeting about their removal given the clear conflict, but POTUS met Bob under the cover of FBI Director interview. Bob is unable to serve as Director per the law. Gowdy(Head of House Oversight Committee) comments on Comey (history will repeat itself). POTUS has everything. Not everyone is corrupt.

## Q — day by day.

### OCTOBER 31

The Sensitive Compartmented Information Facility (SCIF) Military Intelligence looks at 'State Secrets' and how they're upheld in the Supreme Court. Something must be completed to engage Military Intel over other (3) letter agencies. Something must occur to allow for civilian trials.

Look at Mueller's military background. Trump was asked to run for President with assurances made to prevent tampering. POTUS is always 5-steps ahead. Someone is helping POTUS. There are more good people than bad. The wizards and warlocks (inside term) won't allow another Satanic Evil control our country.

Look who POTUS is in control of. Look to the one organization left that isn't corrupt. Flynn has a military background. Adm Rogers (Dir., NSA) met Trump privately without authority. POTUS knows where the bodies are buried. POTUS has the goods on most bad actors. Hillary was next in line. The election was suppose to be rigged. Good people prevented the rigging. POTUS formed a panel to investigate. Has POTUS \*ever\* made a statement that did not become proven as true/fact? The military plays such a vital role. POTUS is surrounded by highly respected generals. The Secret Service guards former Presidents. They guard Hillary.

ANTIFA is allowed to operate. The Muslim Brotherhood hasn't been classified as a terrorist organization. What if a Soros funded operations gets violent and engages in domestic terrorism? What happens if mayors/ police comms/chiefs do not enforce the law? POTUS has specific power over the Marines.

Remember Soros, Clintons, Obama, Putin, etc. are all controlled by 3 families. **The 4th was removed post Trump's victory.**

Nov 3 - Podesta indicted

Nov 6 - Huma Abedin indicted. Manafort was placed into Trump's camp (as well as others).

A deep cleaning is occurring and the prevention and defense of pure evil is occurring on a daily basis. The corruption that will come out is so serious that deals must be cut for people to walk away, otherwise 70% of elected politicians would be in jail. They

never thought they were going to lose control of the Presidency (not just democrats) and thought they had control since making past mistakes (JFK, Reagan).

Get the popcorn. Friday & Saturday will deliver on the MAGA promise. Soros is targeted. POTUS knows he must clean house (govt) in order to 'free up' and demonstrate he has authority to pass important legislation. This was always the priority. Remember, AG Sessions cannot look like an impartial player that is out to get all former Obama team members as we need him for other important work. Obama traveled in advance of POTUS to foreign locations. POTUS is 100% insulated with no risk of impeachment.

Focus on the power of POTUS as it relates to the Marines. Military Intel can be applied to prosecute bad actors and avoid corrupt agencies and judges. Mueller met POTUS 1 day prior to FBI announcement, but COULD NOT be offered director due to prev term limits rule. Pelosi is begging for a new special counsel.

Look at Pelosi's net worth. This couldn't be obtained given her salary as career official. Pelosi's memory is going. It could protect against prosecution. Look at the Mayo Clinic. The Board of Directors are corrupt. John M's surgery was fake. This could prevent prosecution.

Democrats want to control the black population. They intentionally keep them poor and in need. Democrats project racism on a daily basis against Republicans. Black elected officials do the crazy talk on behalf of democrats. Democrats cover the historical facts of forming the confederacy, KKK, and oppose all things pro black regarding legislation. What happens if democrats lose the slave grip on the black population? Democrats, through the funding of the CIA, prop up and install Hollywood/media assets. There are historical advantages that democrats gained by having MSM and famous people peddling the narrative. Someone exposed the pedophile network within Hollywood. This falls within Operation Mockingbird.

Someone met with POTUS yesterday. AG Sessions was there. Multiple Military Intel generals were on the White House list to attend separate meetings. Those meetings could have been combined. Certain rooms in the White House have been renovated to clear bugs and tracking devices. There were meetings on Monday where no phones were allowed in this room (one of many). A certain firm was contracted to conduct the renovations.

Someone controls the National Guard. The National Guard was recently activated in select cities within the US. The National Guard works in coordination with the Marines, but conditions need to be satisfied in order to authorize. A former President used the military to save the republic. The Military Intel has the same SAPs as NSA, CIA etc as designated post 9-11. Someone can be held hostage and controlled.

CIA thinks its foreign offshore assets are strong enough to defend against the US Executive (not accounting for military use on domestic soil). The Constitution explicitly grants this authority to the President and look what it prevents. **Some things must remain classified til the very end.**

North Korea is not being run by Kim, he's an actor in the play. There is a director. The truth would sound so outrageous most Americans would riot, revolt, reject, etc. Any person making statements won't be seeking re-election and are put in submission. For the betterment of the country, not all will be prosecuted and all will do as told. More of this will occur and even on the democrat side.

The child abductions for satanic rituals (i.e. Haiti and other 3rd world countries) are paused, but not terminated until players are in custody. A device was placed somewhere in the White House that could actually cause harm to anyone in the room and would in essence be undetected. When was it reported Trump Jr dropped his SS detail, he took that huge risk given what we know. World stalemate. We have the goods on everyone else. That's part of the reason why some things that tie back to foreign heads of state will remain classified.

Trump and others are working to balance what we are doing well for America while at the same time purify our government and remove the bad actors. Some are entrenched. There is so much string pulling and blackmail that we need to cut. The initial wave will be fast and meaningful. It will send a signal to others immediately and you'll see the tide turn which not even the MSM can hide from.

Over the course of the next several days, you will undoubtedly realize that we are taking back our great country from the evil tyrants that wish to do us harm and destroy the last remaining refuge of shining light. On POTUS' order, we have initiated certain fail-safes that shall safeguard the public from the primary fallout which is slated to occur Nov 3 upon the arrest announcement of Mr. Podesta (actionable Nov 4). Confirmation (to the public) of Look at occurring will then be revealed and won't be openly accepted. Public riots are being organized in serious numbers in an effort to prevent the arrest and capture of more senior public officials. On POTUS' order, a state of temporary military control will be actioned and special ops carried out.

False leaks have been made to retain several within the confines of the United States to prevent their extradition and special operators are necessity. The atmosphere within the country will unfortunately be divided as so many have fallen for the corrupt and evil narrative that has long been broadcast. We will be initiating the Emergency Broadcast System (EMS) during this time in an effort to provide a direct message to all citizens. Certain laws have been pre-lifted to provide our great military the necessary authority to handle and conduct these operations (at home and abroad).

POTUS will be well insulated/protected on Air Force 1 and abroad while these operations are conducted due to the nature of the entrenchment. It is time to take back our country and make America great again. The primary targets are within DC and remain at the top of both sides. The spill over in the streets will be quickly shut down. Look for more false flags – stay alert, be vigilant.

## **November 2**

Military Intelligence. No media. No leaks.

How many Military Intel generals have been in/out of White House in the past 30 days? Focus on Flynn's background and potential role. Look at the common denominator in terms of military backgrounds close to POTUS. Soros is transferred the bulk of his 'public' funds to a Non-Profit Organization. Someone owes a lot to very bad actors. **She** must repay the payment that was made under promise of victory. Cash payments occurred by Obama during the last 90 of his Presidency to foreign states and/ or organizations. What slush fund did AG Sessions (through DOJ) put an end to? Soros, Obama, Clinton, Holder, Lynch, etc all net-ed many millions of dollars. Something was negotiated on the tarmac between Bill Clinton and Lynch. It was expected Hillary was going to win during this time period. The wizards and warlocks tipped off a local reporter as to the supposed unscheduled stop.

The NSA is under the personal direction of Adm Rogers (Dir, NSA), who had this meeting miscategorized and logged under a false identity to prevent bad actors from locating while also verifying to said players all was clear. No logs. Something happened when the wizards and warlocks revealed what they had. Comey was forced into the spotlight shortly thereafter not by choice. Right before the election no doubt which would cast suspicion.

Some, for so long, have sacrificed the good people of this land for their own personal gain. Four carriers & escorts are in the Pacific to prevent other state actors from attempting to harm us during this transition. Russia / China. Or conversely all for North Korea. Or all three. Note the increased military movement and the National Guard deployments starting tomorrow. Note false flags. Follow Huma Abedin. **The calm before the storm.**

Obama has been to North Korea and perhaps is there now. His administration did little to slow their nuclear and missile capabilities. The deal was done with Iran under Obama and sealed under top secret classification. Congress wasn't notified. After Obama left office, suddenly North Korea has nukes and the tech to miniaturize for payload delivery within the U.S.. What about NSA, CIA, DI etc all confirming tech won't be in place for 5+ years as stated in 2016?

**It is not a coincidence the mountain that housed North Korea's nuclear weapons testing collapsed. I wonder if critically important materials as well as scientists (aka the bomb makers) were inside when it happened.** Shocking that no global news agency suspect we had something to do with it.

**We serve at the pleasure of the President. Resistance will be dealt with swiftly.** The core focus is removing entrenched and fortified bad actors within our federal government (past and present) as well as others. Simply be diligent. Phone numbers will be provided if you witness an uprising or other domestic violence (in addition to 911). Any military seen is for your protection as well as to demonstrate our resolve. Watch for confirmations tomorrow (Nov 3). Before POTUS departs on Friday, he will be sending an important message via Twitter.

Follow Huma Abedin. It just broke with Huma Abedin. Hillary instructed Huma Abedin to remove classified markings. This is story just now coming out. Donna Brazile is

running for cover. A deal was granted in exchange for something. Someone made that deal. We care about Donna and those who instructed her to violate the law. This is being leaked verses simply prosecuted privately.

Someone is attempting to change the narrative and soften the acts that are forthcoming this weekend. The information regarding Obama is important regarding Uranium 1 and his export approval to Canada to EU. Find Obama today (Nov 2).

**Obama and/or his admin made false statements that Uranium 1 would never be exported from the US.** Someone made those statements. Someone they report to.

The CIA controls the narrative. Left wing organizations are beginning to report on DNC/D corruption. The CIA has operators inside the MSM. What happens if it's tied back that executives knew? This has to do with 'leaking'. It can be verified that no sourced stories were in fact approved to be published.

The wormhole goes deep. It is not coincidence there is always a terrorist attack when bademocratic news breaks for the democrats. The Military is relevant. Obama could not and would not allow the military to destroy ISIS. How was ISIS formed. When. POTUS has made such progress in the short time he's been President.

Alice & Wonderland. Look at Q Clearance, explicitly to DOE. Someone has the goods on Uranium 1. Stating 'Q' don't refer that person works in DOE but that someone is dropping such information has the highest level of security within all departments.

Obama: "Russia should be viewed as a friendly partner under Section 123 the Atomic Energy Act of 1954" after agreeing to a new nuclear weapons reduction deal and helping US with Iran. There is an enemy. Look at what is being continually stated by all democrats. The Russia reset provided a clearance/pathway to complete the Uranium 1 deal.

The Canadian Prime Minister is so important. They never thought they were going to lose. This week, Senator Grassley (one example) has a higher than normal security detail. Grassley and others are held in a secure location. When did this start? What has been different this week? **He is the Uranium 1 FBI informant.**

Secret sessions are underway. This could be discovered. What must be reported even if filed under 'State Secrets'. It's a name recognized around the world.

How did North Korea obtain Uranium? Iran obtained Uranium. The hostage component was a cover. The cash component could be handed off to other people. How many planes carried the cash into Iran? Where did the planes carrying the cash depart from and land? They didn't all land in the same location.

Someone really controls North Korea. Wars are so important. Someone benefits. Find Obama TODAY (November 2). Find Valarie Jarret. Alice & Wonderland.

The White House reviewed Obama's financial disclosure when he submitted pre-D election campaign. Look at the annual salary of a sitting US president. What homes

were just purchased by Obama? It doesn't reconcile. Look at the net worth of Pelosi. Look at the McCain Institute. Notice the patterns relating to the Clinton Foundation. McCain obtained his surgery at the Mayo Clinic ... at least supposedly. How many days until he was back in Congress and sitting on the OS comm. Look at Maxine Waters net worth. **The money buys something.**

**Alice & Wonderland.** List those who have foundations. The donations can be used personally. Analyze the filings. The politically motivated and corrupt IRS is charged with overseeing this. The level of corruption in our country (and most others) is so severe there is only one way. **Alice & Wonderland.**

Look to Twitter: "My fellow Americans, the Storm is upon us ..."

"For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future."

The Clinton campaign is trying to sweep important questions under the rug about top aide Huma Abedin, her family ties to the Muslim Brotherhood and to Saudi Arabia, and her role in the ballooning Clinton email scandal. Her mother, Saleha Abedin, sits on the Presidency Staff Council of the International Islamic Council for Da'wa and Relief, a group that is chaired by the leader of the Muslim Brotherhood, Sheikh Yusuf al-Qaradawi. Recognizing how offensive such ties will be to voters concerned over future terrorist attacks on this country by radical Muslims professing allegiance to Sharia law, the Clinton campaign on Monday tried to downplay Ms. Abedin's involvement in the Journal and the Muslim Brotherhood. The Clinton surrogate group Media Matters claimed predictably there was "no evidence" that Ms. Abedin or her family had ties to the Muslim Brotherhood, and Trump campaign staffers were conspiracy theorists.

To debunk the evidence, Media Matters pointed to a Snopes "fact-check" piece that cited as its sole source by Senator John McCain. The same John McCain that met Libyan militia leader Abdelkarim Belhaj, a known al Qaeda associate, and saluted him as "my hero" during a 2011 visit to Benghazi. Yet Senator McCain and others roundly criticized Representative Michele Bachmann in 2012 when she and four members of the House Permanent Select Committee Intelligence and the House Judiciary Committee **cited Ms. Abedin in letters sent** to the Inspectors General of the Department of Defense, Department of State, Department of Justice, Department of Homeland Security, and the Office of the Director of National Intelligence, **warning about Muslim Brotherhood infiltration of the United States government.**

Jared Kushner(POTUS advisor) took an undisclosed trip to Saudi Arabia. He needed a face to face meeting instead of a phone call for a reason. Saudi Arabia welcomed POTUS during his trip. This is historic and not covered by MSM. How did Saudi Arabia welcome Obama during his trip? How did Saudi Arabia welcome Hillary during her trip? Not suggesting Saudi Arabia is clean by any means, but they play a role in this global game of RISK.

The flow of information is no longer controlled by the MSM but by you/others. POTUS has dedicated so much time into labeling the MSM as fake news. We are fully prepared that all social media will be shut down to prevent the spread of this information (i.e.

POTUS' Twitter etc. and/or mass censoring). Sealed Federal orders pre-submitted as prevention and masked as 'in general' (though that does not account for rogue agents/programmers within). Dates (impending actions) are deliberately provided for authenticity. You can count the people who have the full picture on two hands. Of those, only three are non-military. Game theory. Outside of a potential operator someone has been dialed-in with orders (specific to his/her mission) nobody else has this information. Operators never divulge. They are beginning to understand since Podesta's attorney was just notified. Find Obama TODAY! (November 2)

**If you decide to take down /pol/, we will be ready. Alice & Wonderland.** To those watching, you have a choice to make. You can stand up and do what you know to be right, or you can suffer the consequences of your previous actions. Make no mistake, you are on the losing side. The choice is yours.

Actions have created accelerated counter-actions. We have not yet ascertained the scope of the attack. Watch the news outlets. POTUS' Twitter take down was not by accident (as referenced several hours ago). Should the lights go out, please know we are in control. Three letter agency embedded tracking/up-channel into POTUS' Twitter to specifically target through specialized geo and send his location. We anticipated this. Perhaps more posts to follow as expected imminent departure. **The CIA just attacked the Commander in Chief** which was immediately detected by NSA/Military Intel and alerted to POTUS. If this leaks, or the immediate action ongoing at Langley, you'll have your verification ahead of schedule.

### **November 3**

Find John Podesta. Find Tony Podesta.

Did one or both escape the country or were let out? Find Obama. Where was he YESTERDAY(November 2)? Look at the difference between commercial and private regarding security clearance for departure. David Pekoske (Military, ret.) is the TSA head. Which party did he contribute to? TSA is part of Homeland Security.

Post 9-11 protocols were put in place to prevent/stop inbound/outbound C-level targets. What local airports are in close proximity to DC? What happened shortly after 9-11 (specifically with all aircraft)? Someone was authorized to depart. **ONLY 1 PLANE was authorized** during this 'mandatory forced grounding'. Someone SPECIFICALLY authorized this. It ties together.

Podesta's plane has a military escort (i.e. tag) and is being diverted (forced down). Short delay. This will be leaked. Watch the news. Have faith. A fake news anchor won't be on air tonight (Nov 3). The \$18b from Soros went somewhere. It can be used by bad actors (escape, bribes, rogue contractors, etc.). Slush fund. Did the US gov't seize/stop/track other slush funds that prevent or create risk to operate. Kushner traveled to Saudi Arabia recently. That's where the biggest donations originate from. Something else is relevant with Saudi Arabia. Safe harbor. Port of transfer. There was a recent smear campaign against Kushner and POTUS. The council of Wizards & Warlocks cannot be defeated.

Huma Abedin is connected to an organization. Look at her family history. How did she meet Hillary? Hillary says Huma Abedin is very close to her. Democrats dropping Hillary suddenly. Deals were made with select democrats. We can expose every crooked politician. 70%. Alice & Wonderland.

#### **November 4**

Jerred Kushner traveled to Saudi Arabia recently. Look at what Saudi Arabia is known for. It's where the biggest donations originate from. Something else is relevant with Saudi Arabia. Safe harbor. Port of transfer. There was a recent smear campaign against Kushner and POTUS. Martial law was declared in Saudi Arabia. Money was donated to the Clinton Foundation, the Pelosi Foundation, the McCain Institute, and the Civil Service by Saudi Arabia. There are other bad actors have been bribed by Saudi Arabia.

The Bush family recently come out against POTUS. What are the laws in Saudi Arabia v. US criminals? What information might be gained by these detainees? The National Guard is actively deployed in Saudi Arabia. Have faith.

Disinformation is real. God bless. Alice & Wonderland. The Great Awakening.

Follow Harvard University Muslim Alumni (HUMA). Someone connects Hillary/Clinton Foundation to Saudi Arabia. That someone is the Muslim Brotherhood. Look at the Awan Group. Awan has ties to the Muslim Brotherhood. They have offices somewhere important. Cash laundering. Look at the relationship between Saudi Arabia & Pakistan. Saudi Arabia provides tens of millions of dollars to US senior gov't officials for a reason.

Saudi Arabia obtains important access in exchange for payment. Before Hillary lost the election of 2016, money was provided to the Clinton Foundation by Saudi Arabia during 15/16. Hillary lost. Loss of access/power/control. The repayment of funds to must Saudi Arabia occur. Obama send billions in cash to Iran. Congress wasn't notified. This was classified under 'State Secrets', but someone has access to State Secrets.

Where did the planes carrying the cash depart from and land? The planes didn't all land in the same location. How many planes carried the cash? **This has to do with North Korea. This has to do with the Saudi Arabia and Clinton Foundation cash donations. This has to do with ISIS. This has to do with slush funds.** Saudi Arabia is so vitally important. Follow the money. Someone still has the money.

Look at Saudi Arabia today. Abdullah bin Abdulaziz and the events that transpired directly thereafter. How was POTUS greeted compared to other former US Presidents when in Saudi Arabia? This traditionally announces war. The last Tweet sent out by POTUS was an instruction of some kind to someone. Where was POTUS when that Tweet was sent? An attack took place in Saudi Arabia as operations were undertaken. Flying objects. US operators are currently in Saudi Arabia.

Alice & Wonderland. Disinformation is real. Distractions are necessary.

Saudi Arabia is the primary, US is secondary, then Asia and EU. Alice & Wonderland. What was POTUS' last Tweet (prior to)? It was addressed to someone specifically. This has never happened before. How many times did the attack occur (secondary clean up)? Look at the purpose of tracking. Look at the purpose of disruption.

POTUS had a uniformed guards while in Hawaii. Military guards don't assist the Secret Service. What flying object was recently shot down. Geo tracking (non-public c-level pro) is that precise.

Alice & Wonderland. You'll soon understand the meaning behind Alice "&" Wonderland. By the time POTUS returns from his trip, the world will be a different place.

Two were found dead shortly after Seth Rich's murder. **MS-13 is a priority.** People pay such gangs to kill opponents to insulate against exposure. Hillary wasn't prosecuted for the emails. Obama ultimately OK'd by using the non government email address to communicate with Clinton. Obama also had an alias along with each of his cabinet members. Therefore indicting Hillary would lead to indicting Obama & his cabinet etc which could never happen. Remember he lied about knowing but that ultimately came out in the dump.

Snow White

FBI/Military Intel currently have open investigation into the Clinton Foundation. Comey didn't drop this. Someone was the FBI director during the Haiti crisis. Many kids disappeared. Money was sent to Clinton Foundation under disguise of Haiti relief and actually went to Haiti. What countries donated big money to Clinton Foundation. Saudi Arabia. Snow White. ((Hillary)) Seth Rich is only mentioned because it directly relates to Saudi Arabia.

**Las Vegas.** What hotel did the 'reported' gunfire occur from? What floors specifically? Someone owns those top floors. What was the alleged shooter worth? Identify the spook. Historical data collection reveals something. There was an eye witness. He wasn't registered as a security guard. MS-13 is important. It doesn't add up. There wasn't only one shooter. What do the new JFK files infer? There wasn't only one shooter.

Someone was in Las Vegas during this time. What was the real mission? Survivors are dying randomly. These survivors have something in common. They talked on social media. Were they going to form a group. How do they die? What CIA report was released by Wikileaks? You can control a car. The survivors died in a car crash.

This connects to Saudi Arabia. It just happened in Saudi Arabia. Was POTUS in Las Vegas that night? Someone had a classified meeting. Did Air Force 1 land at McCarran? An unmarked tail numbers flew into McCarran that night. Trace Air Force 1 that entire day. What do you notice.

Hillary was a puppet, but her strings were recently cut. She's now on her own and fighting for her life. Obama paid the debt prior to leaving office. Hillary is not currently in Saudi Arabia. Bill wants a deal and is using the former President card. Watch the cookie quickly crumble. Soros fits in. What happened in Saudi Arabia will happen here, Asia, and the EU.

Hillary & Saudi Arabia. Snow White, Godfather III. Amazing how things make sense once you are asked a question.

Look at the Military Intel. Someone was part of Military Intel during the Obama term. Paint the picture. Disinformation exists and is necessary. 10 days. Darkness. War. Good v Evil.

Instructions. Snow White. Godfather III. Signatures have necessary meaning. Snow White. Godfather III. US assets. Location.

Someone was arrested in Saudi Arabia relating to the Harvard University Muslim Alumni (HUMA). Foundation s. Institutes. Soros. Someone was killed in Saudi Arabia. Someone fired. Someone really fired. Why would we fire? Follow the money. Someone pulls the strings, but the strings are detached. **Open season on puppets**. Someone is the puppets. Where are the puppets?

Mockingbird.

Global MSM.

Secret agents.

Anderson Cooper family background.

The Queen of England has long been in power. With power comes corruption. What happened to Diana? She found something out. She entrusted someone to help her flee. What was the cover? Why now? Old. Connection. News. Bad actor.

London Mayor. Background. Affiliation. Connection to Queen. British Military Intelligence 5 agents dead. When. How. What was reported? What really happened? Wealth. Corruption. Secret society. Evil.

Germany. Merkel. Migrants. Migrants are important.

Assets. Operations. Satan. Political leaders worship Satan. The upside down cross represents something. Someone wears one openly. She is connected to someone. Spirit Cooking represents something. Look at a cult. Someone is worshipped.

Snow White Godfather III Speed. POTUS.

You are all heroes. Come home safe. Godspeed.

We are now operational. Saudi Arabia cut the strings. They are scrambling for cover and using any means necessary out of their remaining power/control.

Note when we sent the go orders and when this Tweet went live. Nothing is as it seems. It flushed Obama out. Analyze the time stamps of my go message to Obama's Tweet. MSM. CIA counter-ops. **All will fall**.

What have you learned about Harvard University Muslim Alumni (HUMA)? Obama is affiliated with Harvard University Muslim Alumni (HUMA). Obama's pre-political days were funded. The funds are frozen. The Muslim Brotherhood was affiliated. Fast

forward. The events in Saudi Arabia are so important. Kushner was in Saudi Arabia recently. POTUS' last Tweet regarding Saudi Arabia prior to the happening. POTUS' Twitter was taken down days before under cover of a rogue employee. There is an ownership stake in Twitter.

Investments were made in Obama's pre-political days by Muslim Brotherhood and Huma Abedin. They are the bad actors. Someone funds the majority of US 'senior' politicians. Fantasy land. Obama was groomed to be Command in Chief. The US political / election system is corrupt. Soros owns poll machines. They never thought she would lose. Fantasy land. The complete picture would put 99% in a hospital.

POTUS is our savior. Goodnight Obama. Snow White. Godfather III.

**Social media platforms.** Top 10 shareholders of Facebook, Twitter, and Reddit. Saudi Arabia is relevant. MSM. Controlling stakes in NBC/MSNBC, ABC, CBS, and CNN. Investors in Fox News. Operation Mockingbird is active. Look at Anderson Cooper's background.

Snow White. Godfather III. Speed. US Military is the savior of mankind. Fantasy land. God save us all.

Someone owns /pol/. This is platform being used. Recent events almost occurred regarding /pol/. Stay alert in main US cities (DC), sporting events, and other conservative gatherings. More false flags are imminent. The Tuesday elections no longer matter at this stage. Snow White. Godfather III. The above will have context as news unfolds.

## November 6

The arrest of Alwaleed and others are important. Alwaleed and Obama are tied to Harvard University Muslim Alumni (HUMA). Alwaleed financed Obama's pre-political days. Look at Harvard University Muslim Alumni (HUMA). Obama was caught reading 'Post-American World by Fareed Zakaria' that was immediately disregarded as false. Why would POTUS be reading this book? What church did Obama attend as pre-POTUS? Someone was Obama's mentor. Alwaleed and Hillary are connected. Someone was Hillary's mentor. Alwaleed and Bush Sr./Jr. are connected. We entered into a war post 9-11. What was the purpose and disclosures given regarding justification. Someone financed 9-11. Classified 9-11 pages are now being released.

It just occurred in Saudi Arabia. FOIA docs are being publicly released. Important information is contained within these c-releases. Christopher Wray is important with regards to these releases. Money laundering. War generates many nation states to payout billions. Someone audits where the money goes. \$15,000 for a toothbrush? We attacked Iraq. Halliburton. They specialize in oil field services. 'Senior' level political officials are affiliated with Halliburton. Look at the primary goal. Look at the primary mode of influence that drives corruption. The money buys something. This is connected to Saudi Arabia and Alwaleed. This is connected to Las Vegas.

One family was permitted to leave immediately after 9-11. Someone authorized this departure. No one else was permitted to leave. It was a private plane. What can private

planes carry v commercial? What airport did they arrive/depart from. Something was carried on a private plane to Iran. The Bin Laden family was here during 9-11. Someone in Saudi Arabia is connected specifically to the Bin Laden family. What did they deliver? To whom? The money buys something.

The events in Saudi Arabia are relevant to the above. Someone is financially backing human trafficking. Someone is the 'broker' for underage sex. Think Saudi Arabia. FB & Instagram plays a role in the capture. Think 'Taken'. Fantasy, right? Select senior political officials have foundations/institutes for a reason. Look at money laundering. The money buys something. Other people were arrested in Saudi Arabia. Look at their backgrounds. They are connected to the Podesta Group. You need something in order to prosecute senior political officials. You must avoid public misconception and justify counter-political attacks to the mass public. The information is so vital. The MSM portray the country as being divided. Look at money flow disruption.

Look at the Billionaires. A family history goes back pre World War 1/2. The Bush family recently broke the silence and attacked POTUS before the Saudi Arabia arrests. Someone audits the billions paid for war and environment policy (side note). That's where the funds go. Offshore. A slush fund was recently terminated by AG Sessions. Look at Fast & Furious. Look at the underlying theme. **MONEY**.

Someone controls the Federal Reserve. How do political leaders/talking heads accumulate assets in excess of \$5mm+? What was the net worth for each prior to taking office? Snow White. Godfather III. It is not coincidence there a terrorist attack (or mental health c-level attack) within a short time after negative democratic news. They think you are stupid. Puppets without power. They want your guns. No power left. Someone funds ISIS. An email published by Wikileaks connects Saudi Arabia/Qatar to ISIS!

Hillary was connected. Controlling the narrative is important. The MSM is so hostile towards POTUS because someone controls the MSM. Someone sets the narrative for the day. The narrative is communicated to the MSM.

The NSA/Military Intel has something to allow for data collection. Think Snowden. The NSA is limited regarding the ability to capture and unmask US persons. Someone sets the narrative, but someone else can violate this rule. Adm Rogers (Dir., NSA) is so important. Someone wanted him fired. Adm Rogers (Dir., NSA) wasn't replaced by POTUS when taking office. Someone has the ultimate power to designate classification. Someone ultimately sets that classification. Fantasy land.

The acts that recently occurred in Saudi Arabia are so critically important. There are US assets in place in/near Saudi Arabia. Assurances were made to protect the Kingdom. Someone shot down the missile from Yemen. Was it really from Yemen? How do we know? **There are puppets and there are puppet masters. Someone pulls the strings. Money provides power.**

The US elections can be rigged, but JFK, Reagan, and Trump are different than the rest. JFK surrounded himself with family much like POTUS.

Elections are bought and paid for. Largely because there are no voting ID laws in place. What do you need an ID for? Look at the argument for not allowing voter ID laws to be enacted.

Immigrants are important. (Muslim Brotherhood)(Votes)(Attacks)

Illegals are important. (MS-13)(Votes)(187)

On the campaign trail last year, Obama encouraged illegals within the US. This was illegal. Someone owns sizeable stakes in voter machine companies. Someone decides which voter machines are used in elections. Important counties still manually/hand counted. The money buys something. You must prevent tampering. Most forms of media are left-wing. Hollywood is left-wing. The narrative is so important. Liberals defer to racism without proof.

Someone is Hillary's mentor. What party was he affiliated with? The democrats formed the KKK. The democrats formed the Confederacy. Republicans abolished slavery. Democrats are attempting to erase history. The black population is truly free today or enslaved by the D party. There was an attack the day after bademocratic news is published (D).

**Let's pause and say hello to the rogue intelligence agencies currently monitoring these threads. Was the money worth it? Titanic.**

## **November 10**

Trip added.

There's a coordinated effort to misdirect. **Learn to distinguish between relevant/non-relevant news.** Disinformation is real. Disinformation is necessary.

Ex: US ML National Guard (1) False Saudi Arabia True

Questions were asked regarding Saudi Arabia prior to Saudi Arabia events. Think mirror. Look there, or here, or there. The truth is behind you.

A map is useful. A legend is useful. Look at a sequence. A map become a guide. Look at a keystone. The Future provides the past. Map provides a picture. The picture provides a 40,000 foot view.

Think direction. Think full picture.

Someone controls the narrative. Look at a spell. Someone is asleep. Dissemination. Attention on deck. There is an active war on your mind. Be prepared. Operations underway. Operators active. Graphic is essential. Find the keystone. Moves and countermoves. They never thought she would lose. Snow white. Godfather III. Iron Eagle. Closing Act: Dismantled. Impossible to clean.

## November 11

Hard to swallow. Important to progress.

There are puppet masters.

House of Saud (6++) \$4 Trillion+

Rothschild (6++) \$2 Trillion+

Soros (6+) \$1 Trillion+

Focus on the above three. Public wealth disclosures are false. Many governments of the world feed the 'Eye'. Think slush funds. Think war. Think environmental pacts. A triangle has three sides. Eye of Providence. Follow the bloodlines. Look at the keystone.

Satan exist, or at least the thought of Satan. People worships Satan. Look at a cult.

Epstein Island. Look at a temple. Worship. The temple is on top of a mountain. There are many levels below. There is significance in the colors, design and symbol above the dome. Puppet masters. The puppet masters traveled to this island. When? How often?

"Vladimir Putin: The New World Order Worships Satan"

The events in Saudi Arabia are extraordinary. Important people were arrested. The bank records provide names, family history, investment/ownership stakes, and point-to-point contacts.

EX: Alwaleed Harvard University Muslim Alumni (HUMA) Obama Citigroup US Control  
House of Saud. House of Saud US Control  
Follow the money.

Power shifts recently occurred. A new King was appointed. For the first time in history, one side of the triangle has been removed. The other sides are falling. +++ ++ +

LIST THE ROTHSCHILD-OWNED BANKS!

**The Federal Reserve and the IRS FACT:** US Federal Reserve is a privately-owned company, sitting on its very own patch of land, **immune to the US laws**.

There's a list of Republicans in the House and Senate that have announced they won't seek re-election: Bob Corker. Charlie Dent. Jeff Flake. Lynn Jenkins. Sam Johnson. Raul Labrador. Frank LoBiondo. Tim Murphy.

Wealth over generations buys power. Power over generations buys more wealth/control. More wealth/control buys countries and its people. These three families combined = NWO. Teh families will collapse.

Look at the keystone. One Nation dominates all others. One Nation has influence over most others. Look at the keystone.

Return to Saudi Arabia. Strings are cut (++) and the puppets (++) are in shadows. Each side of the triangle controls a certain subsect of power brokers. Power brokers are also puppets/servants. Look at the New World Order. POTUS received a sword

dance when visiting Saudi Arabia. This means something culturally - war. What occurred in Saudi Arabia? POTUS removed one side of the pyramid. What did POTUS receive while visiting China. Where did POTUS dine? China, Russia, and others are coordinating with POTUS to eliminate the NWO.

Someone really controls North Korea. Someone controls several agencies within the US, EU, and abroad. The NSA is so vital. An enormous scale of events are currently ongoing. Russia is helping to kill ISIS. Joint missions are underway. The world is fighting back.

The Great Awakening. Snow White. Iron Eagle. Jason Bourne (2016)(Dream/CIA). Rogue operators are here. They failed to shut down the site. This will only get worse.

## **November 12**

Soros replaced family 'y'. Someone is family 'y'. Trace the bloodlines of these (3) families.

Hitler was a puppet. Someone was his handler. There was a real purpose of the war. What age was George Soros? Look at the Soros family history. What has occurred since the fall of N Germany. Look at Andrea Merkel's family history. Follow the bloodline.

Important people died on the Titanic in 1912. A certain class of people were guaranteed a lifeboat. Select individuals did not make it to the lifeboats. We know if someone was on the lifeboats (D or A). How were names and bodies recorded back then? Less than 10 people were specifically invited.

Important people died during on the Hindenburg. Someone controls the narrative. The truth would put 99% of people in the hospital. It must be controlled.

Look at the Federal Reserve. What does the Federal Reserve control, and who controls the Federal Reserve? Someone approved the formation of the Federal Reserve. Hollywood glorifies Titanic as a tragic love story. A man lived in that movie, but the opposite is true. Brainwashing!

Snow White. Iron Eagle. Jason Bourne (CIA/Dream). A 40,000 foot view is necessary to understand the US - Saudi - global events. Decreasing altitude. We won't fly that high again. The higher the altitude greater the risk of conspiracy.

Look at NSA - Q group. Someone has clearance to the full picture. The Signal Intelligence Service (SIS) is good. NSA is at war with CIA. POTUS shifts the narrative. It's a (New) Age of Enlightenment. 80% covert. 20% public.

C-info leaks. Operations (Saudi Arabia + !!!). CNN sale. Why did a public company receive a large cash injection by CIA? Someone controls the MSM. The primary objective from beginning was for POTUS to discredit MSM. How is the information transmitted? How are people informed? Sarah A. C. attacked (hack-attempt). Operation Mockingbird repeated. Jason Bourne (CIA/Dream) repeated. Think social media platforms. Someone is the Wizards & Warlocks. The Wizards & Warlocks

control a council. Think Snowden (inside terms dropped). Disney is a distraction. Senate & Congress = puppets (not all)(power shift). GERONIMO.

This is not a game. [\*\*DIRECT ATTACK TODAY BY NYT/CIA\*\*](#). The article is disinfo and made to send a message to POTUS. New measures are active and in place. **Distress calls to others will do you and your family no good at this stage. We know where you and your family are at all times. We can hear you breathing.** If you must capture a very dangerous animal, you don't attack it from the front and walk through the front door. You don't signal ahead of time you will be attacking.

You must distinguish between good and bad. You must trust who keeps the secrets. You must prevent leaks. You must trust someone to complete the mission. You must prevent warnings from being sent. Adm Rogers (Dir., NSA) is so important. The source code to former NSA collection p's publicly released. You must blind the CIA. What was Snowden's **real** primary mission? Snowden was not acting on his own.

A show is being put on by AG Sessions since his confirmation. A show is being put on by POTUS since AG Sessions' confirmation. AG Sessions' confirmation was challenged heavily, yet Rod Rosenstein's confirmation smooth and easy. What was the vote count for Rod Rosenstein? Sessions recused himself. A group has vocally supported Robert Mueller repeatedly.

If we must capture a very dangerous animal, who is best to conduct the attack? Look at the one force necessary to retain control - the US Military. They play such a vital role in this global game of RISK. POTUS departed Manila 30 min ahead of schedule. Air Force 1 is landing in Hawaii and has in-air refueling ability. Nothing is as it appears. Look at the nickname for DC. What was the DC vote breakdown between Trump & Clinton? Sealed indictments are outside of DC jurisdiction. This is on purpose. Judicial appointments are being rapidly completed.

For the coming days ahead, ask yourself an honest question. Why would a billionaire - someone who has it all - endanger himself and his family by becoming POTUS? He wants to make the US and the world a better place for those who have long been taken advantage of. He could not stomach the thought of mass murders occurring to satisfy Moloch or the thought of children being kidnapped, drugged, and raped while leaders/law enforcement of the world turn a blind eye. He was tired of seeing how certain races/countries were being constantly abused and kept in need and suffering all for a specific purpose. He could not, in good conscious, see the world burn.

Hours after the election, seven people traveled to an undisclosed location to hold a very private & highly secured/guarded meeting. Hillary didn't give a concession speech. When was the last time a presidential candidate didn't personally give a concession speech.

What happens if the border remained open and the MSM continued to brainwash. At what point do Patriots, and hard working men and woman, become the minority. What about voting machines. Someone owns the voting machines. What about voter ID laws? Photo ID? Where is now necessary and must be presented? Make a list. Laugh.

The chances of defeating evil grow less and less with each passing year. The 'red line' has meaning. The arrests made in Saudi Arabia are very important. Strings were immediately cut. Follow the money. A bird sings for a reason. Someone financed 9-11. Bin Laden had a handler. The CIA was tasked to hunt/kill/capture UBL, not Military Intel. If we found UBL, eliminated his security, we couldn't take him alive. We couldn't capture UBL and extract other possible T-level events. Someday people will understand they planed to conduct 'another' mass extinction.

WWI & II were orchestrated and planned by select families. Fantasy land. The more people there are, the more power the people have. Democrats push for gun control directly after every tragic incident. This is so very important to their agenda. We, the people, are someone they are afraid will one day awake.

The Lord's Prayer

\*\*\*

**Warning: Nothing is as it appears. Dissinformation is required.**

**Cliff notes:**

Trump was asked by NSA/MI to run for POTUS. CIA, FBI, SS et al are corrupt. MSM is a puppet

Obama, Clinton, and Abedin are puppets of the Muslim Brotherhood and corrupt Saudi Arabia

The Iran hostage was a cover to payback Clinton's campaign contributions from SA and in turn NK was given nuclear weapons

MS-13 are US puppets. Disposable hitmen and drug runners. They were hired to assassinate Seth Rich

POTUS is draining the swamp in one fell swoop. He will enact Martial law and wipe out corruption by enacting the National Guard (A Soros group may be called domestic terror). It has already happened in Saudi Arabia. Europe will be next.

Saudia Arabia was our puppet until Trump cleaned house. There is no loyalty amongst thieves.
