

## **Five Tips to Make Your Man Feel Wanted**

One major difference between men and women is how we express ourselves. While ladies have no issues letting out their fears and emotions, it is not the same with men. A man would rather leave you to figure out what is going on in his head rather than share with you. Thus, as a female, you could be confused on how to make your man feel wanted.

The good news is that there are simple and effective things you can do to make him feel like a man. You, however, have to make effort in making this a reality. Bear in mind that to get the totality of a man, he needs to feel wanted. Without this, your relationship might not go far. The following discusses proven steps to make your man feel desired:

### **1. Respect Him**

If a guy will have to choose between love and respect, respect will come first. This proves that men value respect for the woman they love. Thus, one of the ways to lose your man is to disrespect him. Many ways exist to show your man respect. Some are:

- Valuing his ideas/opinions
- Not challenging his authority
- Not criticizing him in public etc.
